Redefining The Us Ec Relationship Chatham House Papers:

Redefining the U.S.-E.C. Relationship Michael Smith, Stephen Woolcock, 1993 *Redefining Transatlantic Security Relations* Dieter Mahncke, Wyn Rees, Wayne Thompson, 2004-06-19 The transatlantic security relationship has been at the heart of cooperation since the onset of the Cold War and has been the foundation on which the stability of Europe has been built But the post Cold War period has raised major challenges for transatlantic relations as well as new security threats such as terrorism organized crime and drug trafficking These are fresh concerns in the sense that they have not been previously regarded as matters for US European cooperation Recent events such as the 1999 war in Kosovo the European Union s decision to create a Rapid Reaction Force and the US policy of proceeding with a ballistic missile defence capability have all contributed to tensions in transatlantic relations The transatlantic relationship has entered a new and highly uncertain period This book looks at the three main facets of the transatlantic security relationship the defense of Europe global challenges and new security threats *Transatlantic Relations* Donald Abelson, Stephen Brooks, 2022-03-30 This book explains how and why the transatlantic relationship has remained resilient despite persistent differences in the preferences approaches and policies of key member states It covers topics ranging from the history of transatlantic relations North Atlantic Treaty Organization and security issues trade human rights and the cultural sinews of the relationship to the impacts of COVID 19 climate change think tanks the rise of populism public opinion and the triangular relationship between the United States US Europe and China The book also conceptualizes resilience as a quality arising from myriad forms of interdependence This interdependence helps shed light on the Atlantic partnership s capacity to withstand serious disagreements such as those that occurred during the Reagan George W Bush and Trump presidencies With a principal focus on the US and Europe the contributors to the volume also employ Canadian case studies to provide a unique and useful corrective This book will interest all intermediate and senior undergraduate as well as graduate courses on relations between the US and Europe American foreign policy and European Union foreign policy A specialist readership that includes academic and think tank researchers policy practitioners and opinion leaders will also benefit from this timely volume **American Book Publishing Record Cumulative 1998** R R Bowker Publishing, 1999-03 *Rethinking International Relations* Fred Halliday, 1994-10-26 International Relations as an academic discipline is faced with three major convergent challenges a historical challenge from the end of the Cold War and from new forms of internationalism and fragmentation an institutional challenge from the growing preoccupation of other social sciences with the international and a theoretical challenge both from these cognate disciplines and from within Ranging widely over the discipline Fred Halliday s book powerfully reaffirms the specificity of International Relations and lays the basis for a long overdue reformulation **The Routledge Handbook of Transatlantic Relations** Elaine Fahey, 2023-07-31 The Routledge Handbook of Transatlantic Relations is an essential and comprehensive reference for the regulation of transatlantic relations across a range of subjects bringing together

contributions from scholars policy makers lawyers and political scientists Future oriented in a range of fields it probes the key technical procedural and policy issues for the US of dealing with negotiating engaging and law making with the EU taking a broad interdisciplinary perspective including international relations politics political economic and law EU external relations law and international law and assesses the external consequences of transatlantic relations in a systematic and comprehensive fashion The transatlantic relationship constitutes one of the most established and far reaching democratic alliances globally and which has propelled multilateralism trade regulation and the EU US relationship in global challenges The different contributions will propose solutions to overcome these problems and help us understand the shifting transatlantic agenda in diverse areas from human rights to trade and security and the capacity of the transatlantic relationship to set new international agendas standards and rules The Routledge Handbook of Transatlantic Relations will be a key reference for scholars students and practitioners of Transatlantic Relations EU US relations EU External Relations law EU rule making EU Security law and more broadly to global governance International law international political economy and international relations

America and a Changed World Robin Niblett, 2010-10-01 Looking at a range of themes and regions this book provides a challenging basis for rethinking America's international leadership Chatham House experts assess current US policy and the country's ability to continue to play an international leading role A timely exploration as President Barack Obama attempts to renew America's global leadership Broad range of contributors including Annette Bohr Central Asia Victor Bulmer Thomas Latin America Alex Vines and Tom Cargill Sub Saharan Africa Paul Cornish Arms control Paola Subacchi Economics Kerry Brown China and James Sherr Russia

Rethinking the Future of Europe Stefan Schepers, 2014-10-08 Rethinking the Future of Europe has brought together three contrasting collections of contributions the incrementalist perspective concerning the step by step development of Europe the more radical reform restructuring approach to the future of Europe and a view of Europe from the outside

Turkey and the EU Harun Arian, 2017-03-02 The relationship between Turkey and the European Union is an important issue in European integration With the EU beginning accession talks with Turkey this is a vital moment for the future as the EU deals with a central question that has been on the agenda for over forty years Turkey's membership Since the first edition EU Turkey relations have clearly taken different directions There have been considerable developments in Greek Turkish relations the Cyprus issue the domestic politics of Turkey including human rights and the protection of minorities and the changing security environment post 9 11 Furthermore recent enlargement has been an important turning point for the EU This extended and revised edition addresses these major developments and assesses the implications of Turkish membership for the current EU structures The book is a timely addition to the existing literature for students and academics of European and Middle Eastern Studies

The International Relations of the EU Steve Marsh, Hans Mackensteen, 2014-09-11 In an incisive and lively discussion International Relations of the EU examines both the economic and security dimensions of European Union external relations

The book adopts an innovative approach that combines International Relations with International Political Economy Set against a backdrop of EU enlargement and disarray over military intervention in Iraq International Relations of the EU is a timely contribution to our understanding of the Eu s role as an international actor The text is suitable for advanced undergraduate courses in Politics and International Relations
