Transforming the Welfare State Jonathan Boston, 2020-02-04 Eighty years ago New Zealand s welfare state was envied by many social reformers around the world Today it stands in need of urgent repair and renewal One of our leading public policy thinkers asks What might the contours of a revitalised social contract for New Zealand look like Packed full of analysis Jonathan Boston s latest BWB Text directs us towards nothing less than a new political settlement Wide ranging reform of the welfare state is needed Boston argues if we are to address the challenges presented by economic social and technological upheaval This quest is made all the more demanding and pressing by alarming ecological crises and the need for the good society to place intergenerational responsibilities at its heart

Policy Change, Public Attitudes and Social Citizenship Humpage, Louise, 2014-11-05 Neoliberal reforms have seen a radical shift in government thinking about social citizenship rights around the world But have they had a similarly significant impact on public support for these rights This unique book traces public views on social citizenship across three decades through attitudinal data from New Zealand the United Kingdom and

Australia It argues that support for some aspects of social citizenship diminished more significantly under some political regimes than others and that limited public resistance following the financial crisis of 2008 2009 further suggests the public rolled over and accepted these neoliberal values Yet attitudinal variances across different policy areas challenge the idea of an omnipotent neoliberalism providing food for thought for academics students and advocates wishing to galvanise support for social citizenship in the 21st century

French Welfare State Reform James Angresano,2011 This book explores an important emergent issue what types of reforms are required to enable welfare states to preserve sustainability For the purpose of this study a sustainable welfare state is one that can remain the guarantor against social risks and adverse economic trends for all segments of their respective societies and satisfy sound fiscal criteria such as the Maastricht requirement for all members of the EMU that their fiscal budget deficit does not exceed 3% of the GDP without imposing considerable financial burdens on future generations

Radical Welfare State Retrenchment P. Starke,2007-12-07 This book confronts one of the most fiercely contested issues in current political debates how is welfare state retrenchment possible in modern democracies despite the welfare state s continuing popular appeal Starke offers an international comparative analysis of welfare state retrenchment and an in depth examination of its radical deployments

Ideology and the Politics of (in)exclusion Linda P. Ware,2005 Ideology and the Politics of In Exclusion provides an international analysis of the politics of research and practice in special education The contributors to this volume establish purposeful connections to the micropolitics of disability identification and the macropolitics of social structure and describe various geographic locales recount multiple historical contexts rely upon differing sources of evidence and as a consequence relate a more complex and richly layered analysis of educational inclusion Ideology and the Politics of In Exclusion breaks away from the prevailing discourse on educational inclusion as that which occurs in a vacuum separate from social inclusion by providing a close analysis of the narrow frameworks historic influence and research tensions that underwrite current special education practice

East and Southeast Asia 2024-2025 James E. Hoare,2024-09-03 The World Today Series East Southeast Asia provides historical background on the evolution of Modern East Southeast Asia to help readers gain a thorough understanding of contemporary developments in this vital region Broad introductory regional chapters are followed by sections on each country in the region The combination of factual accuracy and up to date detail make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students to understand the immediate background of contemporary developments

Effective Crime Reduction Strategies James F. Albrecht,Dilip K. Das,2011-02-22 The International Police Executive Symposium IPES www.ipes.info coordinates annual international conferences to evaluate critical issues in policing and recommend practical solutions to law enforcement executives deployed across the globe Drawn from the 2005 proceedings hosted by the Czech Republic in Prague

Effective Crime Reduction Strategie *Global Dimensions of Public Administration and Governance* Jos

Raadschelders, Eran Vigoda-Gadot, 2015-01-21 A comparative interdisciplinary examination of the mechanisms behind public administration Global Dimensions of Public Administration and Governance is a comprehensive comparative text on the structure and function of governments around the world Written by two of the field's leading public administration scholars this book provides an interdisciplinary perspective and a global historical and theoretical examination of the management and governance of the modern state Readers learn how territory bureaucracy and political systems influence policy and reform in over thirty countries and how these mechanisms affect the everyday lives of citizens This comparative approach features rich examples of how policy is shaped by culture and how modern policy principles are filtered to fit a country's needs and expectations Chapters conclude with comparative analyses that help readers better understand the role and position of government in the contemporary world both in democratic societies and less than democratic environments Governance doesn't happen in a vacuum Those responsible for policy regulation and reform take cues from history current events and visions for the future to inform thinking on matters that can potentially affect a large number of everyday lives This book illustrates the thought process providing the necessary insight these important decisions require Understand the relationship between structure and function of government Learn how policy is culture dependent Examine the political and societal contexts of reform Discover the myriad forms of modern bureaucracy The various social sciences provide valuable information and perspectives for those involved in public administration Those perspectives converge here to form a thorough well rounded examination of the success and failure possible and the mechanisms through which they take place Global Dimensions of Public Administration and Governance provides a detailed wide ranging look at how modern governments operate how they got this far and where they're headed for the future
