Rediscovering The Eucharist Ecumenical Conversations:

Rediscovering the Eucharist Roch A. Kereszty, 2002 Essays from an ecumenical conference that promote a further convergence in our understanding of the Eucharist **Rediscovering the Eucharist : ecumenical conversations** Roch A. Kereszty (ed), 2003 *Rediscovering Aquinas and the Sacraments* Matthew Levering, Michael Dauphinais, 2022-01-07 St Thomas Aquinas of the Sacraments offers a brief and readable essay on each of the seven sacraments as presented by St Thomas Aquinas in addition to chapters on his theology of worship and his understanding of liturgical devotion The essays are written for students scholars and pastors who seek to learn more about Aquinas s sacramental theology Each chapter introduces certain aspects of Aquinas s approach and opens up avenues for further reflection In recent years philosophical and theological interest in Aquinas s sacramental theology and theology of the liturgy seems to be significantly increasing in ecumenical circles This unique collection featuring the new research of some of expert sacramental theologians sheds new light on the little known the contributions of Aquinas to sacramental theology and the medieval tradition to which he belongs

Eucharist and Ecclesiology Wendell Willis, 2017-01-06 In the late twentieth century and since ecumenical discussions on the nature and unity of the church have often centered on the Eucharist This book is focused on that intersection of church and Eucharist in current Christian relationships In the first part of the book representatives of the Orthodox tradition Paul Meyendorff the Roman Catholic tradition Denis Farkasfalvy and the Protestant tradition Gary Badcock discuss the relationship of Eucharist and church These essays are followed by an overview and response to these theme essays by Everett Ferguson who has published often on the topics The second part of the book contains essays on particular issues important for understanding the Eucharist and Christian faith These essays also come from the three theological traditions of the featured essays but focus on more specific issues behind the larger discussion The essays address the New Testament texts on Eucharist and important later Christian writers This book will be of value to scholars studying the Eucharist in the New Testament and the early Christian church as well as to clergy who need to instruct congregations on the ecumenical discussions of the Eucharist The Eucharistic Spirit Florian M. P. Simatupang, 2025-03-27 What sort of experience of grace does the Holy Spirit give Pentecostals when they celebrate the Eucharist This book aims to answer that question by investigating Holy Communion through a Pentecostal spirituality framework and process known as search encounter transformation Doing so enriches the theology and spirituality of Pentecostalism and broadens its understanding of the journey of salvation The author argues that the invocation of the Spirit in the Eucharist the epiclesis grants the church a pneumatological imagination enabling it to properly remember the anamnesis the work of Christ The outcome of remembering will be to see the Eucharist as a meal of solidarity and justice a meal that manages the hunger of the world a meal that offers healing a meal for missional nourishment a meal reorienting eschatology by providing a preview of the restoration of all things apokatastasis in the wedding supper of the Lamb Ultimately this book encourages Pentecostals to

desire a weekly celebration of the Eucharist in order to become truly Pentecostal **Sacrifice and Community** Matthew Levering, 2008-04-15 This book explores the character of the Eucharist as communion in and through sacrifice It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology its reclamation of St Thomas Aquinas's theology of the Eucharist and its response to Pope John Paul II's *Ecclesia de Eucharistia* Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice and communion Timed to coincide with the Year of the Eucharist proclaimed by Pope John Paul II Reclaims the riches of St Thomas Aquinas's theology of the Eucharist which had recently been reduced to a metaphysical defence of transubstantiation **A Very Anglican Monk** David Fuller, 2014-05-05 Anglican Benedictine monk Dom Gregory Dix 1901-52 was at the heart of studies of liturgy and worship in the Church of England He was a prolific author whose magnum opus *The Shape of the Liturgy* 1945 has remained on the publishers shelves to this day *A Very Anglican Monk* studies many aspects of Dix's life and works

The Protestant Reformation and The Book of Common Prayer: A Liturgical Study David Fuller, 2016-03-30 A liturgical study of the Anglican Book of Common Prayer and its creation and amendments during the Protestant Reformation

Wedding Feast of the Lamb Roch A. Kereszty, 2004 In this deeply contemplative and meditative study Father Kereszty first places the Eucharist in the universal context of world religions and shows how the Eucharist is God's response to the universal human quest for the perfect sacrifice of thanksgiving expiation and communion Father Kereszty discusses not only the explicit eucharistic texts of the New Testament but demonstrates the role and meaning of the Eucharist within each Gospel within the theology of Paul the letter to the Hebrews and the book of Revelation He highlights forgotten texts and recovers surprising insights from the Fathers that show the link between the Eucharist and mystical experience the presence of all the mysteries of Christ in particular his death Resurrection and his coming in glory in the eucharistic celebration He then carries the *lex orandi lex credendi* adage to its logical conclusion the liturgical celebration provides the content and the organizing principle for the systematic presentation **The Early Church at Work and Worship - Volume 3** Everett Ferguson, 2017-10-19 This is the third volume of Ferguson's collected essays and includes some of his most memorable work especially on laying on of hands
