Reflections From Back Roads Of America:

Reflections from the Back Roads of America Beverly M. Butler, 1993-07-01 **A Road Trip Into America's Hidden Heart - Traveling the Back Roads, Backwoods and Back Yards** John Drake Robinson, 2012-11 He bought the car a dozen years ago Together they traveled every mile of every road on his highway map a 250 000 mile journey to discover the real America beyond the interstate Real people Obscure places Forgotten facts His story unfolds in Missouri but it could be about any state any traveler who drives into America s hidden heart **Reflections** James O. Jeffers, 2003 The book chronicles James Jeffers life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast **Reflection on America's Great Loop** George Hospodar, Patricia Hospodar, 2012 Adventure is not just for the young Though I own a boat was the opening phrase to their courtship and eventual married life little did Baby Boomer couple George and Pat Hospodar know then that those words would lead to their making a year long journey of a lifetime aboard their boat Reflection almost forty years later This book welcomes and encourages not only fellow boaters but also armchair adventurers and dreamers of all ages to join them aboard as they share a light hearted real life account of their travels on the circumnavigation of the waterways of the eastern United States and Canada In addition for those who may consider making this journey themselves the authors offer insights and tips on Routes Anchorages Navigation Locking Marinas Free dockage Low bridges Fuel stops Restaurants Shopping Points of interest and local history Border crossings in Canada and the United States Local marine weather websites and phone numbers **Back Roads and Better Angels** Francis S. Barry, 2025-05-06 Bringing together two of America s unifying loves road trips and Abraham Lincoln Frank Barry takes readers on a thought provoking journey into the heart of our democracy and the soul of our country Barry probes the American soul finding its biases but also nurtured by its complicated past our better angels with an opportunity to move forward Ken Burns A year into his marriage and having never driven an RV Frank and his wife Laurel set out from New York City in a Winnebago to drive the nation s first transcontinental route the Lincoln Highway which zigzags through small towns and big cities from Times Square to San Francisco Using the spirit of Abraham Lincoln to guide them across the land they hope to see more clearly what holds the country together and how we can keep it together even amidst political divisions have grown increasingly rancorous bitter and exhausting Along the way Frank and Laurel meet Americans whose personal experiences help humanize the nation s divisions and they encounter historical figures and events whose legacies are still shaping our sense of national identity and the struggles over it This unforgettable journey is full of what makes any great road trip memorable and enjoyable music conversation and laughter By the end readers will have a clearer picture of how we

have arrived at a period that carries echoes of the Civil War era and using Lincoln as a guide where the path forward lies
