Reflections From The Riverbank:

Reflections from the Riverbank Lyal LeClair Fox, 2000 Corey was just a tired old man who wanted nothing more than to be home for Christmas He had experienced more than his share of sadness and heartache during his lifetime and most of it he would just as soon forget This train ride home a train ride that would take him back in time would cause him to live through it all again and end with a miracle What happened toward the end of this train ride was more than even Corey could believe Was it some kind of divine intervention or the lack thereof that would explain these strange events Either way one thing we can be certain of they did happen How or why no one will ever know This story was inspired by actual events so you be the judge
