Reform In Leopolds Congo

Georges Nzongola-Ntalaja

Reform In Leopolds Congo:

Reform in Leopold's Congo Stanley Shaloff,1970 British Humanitarianism and the Congo Reform Movement, 1896-1913 Dean Pavlakis,2016-03-09 The Congo Free State was under the personal rule of King Leopold II of the Belgians from 1885 to 1908 The accolades that attended its founding were soon contested by accusations of brutality oppression and murderous misrule but the controversy by itself proved insufficient to prompt changes Starting in 1896 concerned men and women used public opinion to influence government policy in Britain and the United States to create space for reforming forces in Belgium itself to pry the Congo from Leopold s grasp and implement reforms Examining key factors in the successes and failures of a pivotal movement that aided the colonized people of the Congo and broadened the idea of human rights *British Humanitarianism and the Congo Reform Movement* provides a valuable update to scholarship on the history of humanitarianism in Africa The Congo Reform movement built on the institutional experience of overseas humanitarianism the energy of evangelical political involvement and innovations in racial imperial and nationalist discourse to create political energy Often portrayed as the efforts of a few key people especially E D Morel this book demonstrates that the movement increasingly manifested itself as an institutionalized and transnational campaign with support from key government officials that ultimately made a material difference to the lives of the people of the Congo *African Testimony in the Movement for Congo Reform* Robert Burroughs,2018-06-27 The humanitarian movement against Leopold s violent colonisation of the Congo emerged out of Europe but it depended at every turn on African input Individuals and groups from throughout the upper Congo River basin undertook journeys of daring and self sacrifice to provide evidence of atrocities for the colonial authorities missionaries and international investigators Combining archive research with attention to recent debates on the relation between imperialism and humanitarianism on trauma witnessing and postcolonial studies and on the recovery of colonial archives this book examines the conditions in which colonised peoples were able to speak about their subjection and those in which attempts at testimony were thwarted Robert Burroughs makes a major intervention by identifying African agency and input as a key factor in the Congo atrocities debate This is an important and unique book in African history imperial and colonial history and humanitarian history **Official Organ of the Congo Reform Association** Congo Reform Association,1909 E. D. Morel's History of the Congo Reform Movement Edmund Dene Morel,William Roger Louis,Jean Stengers,1968 *Historical Dictionary of the Reformed Churches* Robert Benedetto,Donald K. McKim,2009-10-06 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation The Reformed churches consider themselves to be the Catholic Church reformed The movement originated in the reform efforts of Huldrych Zwingli 1484 1531 of Zurich and John Calvin 1509 1564 of Geneva Although the Reformed movement was dependent upon many Protestant leaders it was Calvin s tireless work as a writer preacher teacher and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew Today the Reformed churches

are a multicultural multiethnic and multinational phenomenon The second edition of the Historical Dictionary of the Reformed Churches contains information on the major personalities events facts movements and beliefs of the Reformed churches This is done through a list of acronyms and abbreviations a chronology an introductory essay appendixes a bibliography and over 800 cross referenced dictionary entries on leaders personalities events facts movements and beliefs of the Reformed churches

Historical Dictionary of the Reformed Churches Benedetto, Guder, Mckim, 1999-11-03 A historical dictionary of Reformed churches It includes a detailed chronology followed by specific entries on the geographical regions where Reformed faith has been rooted Other entries are devoted to outstanding figures who have nurtured and shaped t

The Congo from Leopold to Kabila Georges Nzongola-Ntalaja, 2013-07-18 The people of the Congo have suffered from a particularly brutal colonial rule American interference after independence decades of robbery at the hands of the dictator Mobutu and periodic warfare which continues even now in the East of the country But as this insightful political history makes clear the Congolese people have not taken these multiple oppressions lying down and have fought over many years to establish democratic institutions at home and free themselves from foreign exploitation indeed these are two aspects of a single project Professor Nzongola Ntalaja is one of his country's leading intellectuals and his panoramic understanding of the personalities and events as well as class ethnic and other factors make his book a lucid radical and utterly unromanticized account of his countrymen's struggle His people's defeat and the state's post colonial crisis are seen as resulting from a post independence collapse of the anti colonial alliance between the masses and the national leadership This book is essential reading for understanding what is happening in the Congo and the Great Lakes region under the rule of the late President Kabila and now his son It will also stand as a milestone in how to write the modern political history of Africa

The New Encyclopedia of Social Reform ... William Dwight Porter Bliss, Rudolph Michael Binder, 1909

King Leopold's Congo and the "Scramble for Africa" Michael A. Rutz, 2018-03-01 King Leopold of Belgium's exploits up the Congo River in the 1880s were central to the European partitioning of the African continent The Congo Free State Leopold's private colony was a unique political construct that opened the door to the savage exploitation of the Congo's natural and human resources by international corporations The resulting red rubber scandal which laid bare a fundamental contradiction between the European propagation of free labor and civilization and colonial governments acceptance of violence and coercion for productivity's sake haunted all imperial powers in Africa Featuring a clever introduction and judicious collection of documents Michael Rutz's book neatly captures the drama of one king's quest to build an empire in Central Africa a quest that began in the name of anti slavery and free trade and ended in the brutal exploitation of human lives This volume is an excellent starting point for anyone interested in the history of colonial rule in Africa Jelmer Vos University of Glasgow

Getting the books **Reform In Leopolds Congo** now is not type of challenging means. You could not solitary going behind book heap or library or borrowing from your friends to contact them. This is an definitely easy means to specifically acquire lead by on-line. This online pronouncement Reform In Leopolds Congo can be one of the options to accompany you later than having other time.

It will not waste your time. say yes me, the e-book will unquestionably expose you additional thing to read. Just invest tiny times to gate this on-line revelation **Reform In Leopolds Congo** as well as evaluation them wherever you are now.
