Reformation Theologians An Introduction To Theology In The Early Modern Period:

The Reformation Theologians Carter Lindberg, 2017-09-07 *The Reformation Theologians* is the ideal introduction to the study of the sixteenth century Reformations. It introduces the theological context though and contributions of theologians from this period offering students and scholars an essential resource and insight. This comprehensive and lively book discusses all the major strands of Reformation thought and explores the work of a range of influential figures including theologians and non theologians humanists clergy and laity men and women. The contributors to this volume are leading scholars in the field of historical and systematic theology. Accessibly structured it covers the Humanist Lutheran Reformed Roman Catholic and Radical Theologians. An introductory chapter explores the interpretations of the Reformation and a concluding chapter explains the influence of Reformation theologies on the modern period. The text also includes useful bibliographies and a glossary of theological terms.

An Introduction to Theology in Global Perspective Stephen B. Bevens, 2009 A comprehensive work on doing theology as part of the Catholic ecclesial community in today's world.

Books in Early Modern Norway Gina Dahl, 2011-07-12 During recent decades much has been written about early modern book distribution but until now Norway has been absent from the discussion. Drawing on book listings this study seeks to fill this lacuna by exploring the market for books in early modern Norway. Its approach is multifaceted consideration of the types of books accessed by different elements of Norwegian society is set alongside developments within the book market itself such as the extended life of popular books the gradual replacement of Latin by the vernacular and the rise in the eighteenth century in the number of books available on the market. The study demonstrates the internationality of the Norwegian book market while acknowledging specific patterns that determine its Norwegian character.

Twentieth Century Anglican Theologians Stephen Burns, Bryan Cones, James Tengatenga, 2020-12-21 A scholarly volume that reflects the rich diversity of Anglican theology. With contributions from an international panel of writers *Twentieth Century Anglican Theologians* offers a wide ranging view that presents a survey of over twenty diverse Anglican thinkers. The book explores well known figures including William Temple Austin Farrer Donald MacKinnon and John A T Robinson. These theologians are set in a wider context alongside others from India China Australia Ghana and elsewhere. Notably the subjects include a number of women from Evelyn Underhill the first woman to teach the clergy of the Church of England to Esther Mombo a major contemporary Anglican figure from Kenya. The book reflects the rich diversity of Anglicanism suggesting the ongoing vitality of this religious tradition. This important book contains information on a number of prominent women Anglican thinkers. Includes contributions from experts from around the world. Presents material on both familiar figures and others that are unjustly little known. Written for students and teachers of Anglicanism Anglican clergy and ecumenical colleagues. *Twentieth Century Anglican Theologians* is the first book to reflect the diversity of the Anglican tradition by considering its global theological representatives.

A Theological Journey Ghislain Lafont, 2007 From the earliest proclamation of the Gospel to the present

Benedictine theologian Gillian Lamont traces the development of the Christian faith In *A Theological Journey* now available in this superb translation by John Burkhard OFM Conv Lafont explores key doctrines of the faith as they developed in answer to the needs and questions of people in each age He then engages the questions and risks of today s world inviting us to consider our place as Christians in history and in an increasingly globalized world In the final analysis Lafont s theological journey aims at inspiring us to hope in the midst of a world marked by conflict pain and suffering Ghislain Lafont OSB 1928 2021 was a monk of the Abbey of La Pierre qui vire France Lafont taught theology in his monastic community as well as at the Athenaeum San Anselmo and the Gregorian University both in Rome John J Burkhard OFM Conv is Professor of Systematic Theology at Washington Theological Union in Washington D C He is the author of *Apostolicity Then and Now* Liturgical Press 2004 and the translator of Ghislain Lafont s *Imagining the Catholic Church* Liturgical Press 2000

Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great s massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho s examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives *Expanded EU: from Autonomy to Alliance* Nejat Dogan, 2008-01-01 This book is a selection of the scholarly works presented at the 2nd International Redefining Europe Conference in Prague 2005 as a part of the Ashburn Institute s analogous initiative the goal of which is to advance people s understanding of the future of European civilisation and to explore the varying dynamics of transatlantic relations This volume is a 2nd publication in the Redefining Europe Conference Series The third manuscript will appear in print following the Renewing the Transatlantic Relationship Prospects for Europe and the United States in an Emerging Multipolar World Conference held in Norman OK November 2008 This book is targeted at scholars and students in political science and related disciplines **The Naked Christ** Dan Le, 2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts *The Naked Christ* is a useful

resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary culture **Theological Method: A Guide for the Perplexed** Paul L. Allen, 2012-06-28 An upper level undergraduate introduction to how to do theology in an academic context *Reclaiming Divine Wrath* Stephen Butler Murray, 2011-09-02 Following the 9 11 terrorist attacks in the United States there was prolific misuse and abuse of the concept of divine wrath in church pulpits In pursuit of a faithful understanding of what he calls a lost doctrine the author of this study investigates the substantial history of how the wrath of God has been interpreted in Christian theology and preaching Starting with the Hebrew and Christian Scriptures and moving historically through Christianity s most important theologians and societal changes several models of divine wrath are identified The author argues for the reclamation of a theological paradigm of divine wrath that approaches God s love and God s wrath as intrinsically enjoined in a dynamic tension Without such a commitment to this paradigm this important biblical aspect of God is in danger of suffering two possible outcomes Firstly it may suffer rejection through conscious avoidance of the narrow misinterpretations of divine wrath that dominate contemporary theology and preaching Secondly irresponsible applications of divine wrath may occur when we neglect to engage and understand the wrath of God as inseparable from God s justice and love in Christian theology and proclamation
