Reformational Theology A New Paradigm For Doing Dogmatics:

Reformational Theology Gordon J. Spykman, 1992 Following the Biblical story line of creation fall redemption consummation Spykman's new paradigm systematics represents a notable revision of the traditional loci method Spykman has reordered the basic Christian dogmas in a bold attempt to overcome the rationalist scholastic influences inherent in the older method The Doctrine of Creation Bruce Riley Ashford, Craig G. Bartholomew, 2020-11-10 According to Bruce Ashford and Craig Bartholomew one of the best sources for regaining a robust biblical doctrine of creation is the recovery of Dutch neo Calvinism Tracing historical treatments and exploring theological themes Ashford and Bartholomew develop the Kuyperian tradition's rich resources on creation for systematic theology and the life of the church today *T&T Clark Handbook of Neo-Calvinism* Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields Introducing Biblical Hermeneutics Craig G. Bartholomew, 2015-11-10 2016 Word Guild Award Academic category Honorable mention Grace Irwin Prize Renowned scholar Craig Bartholomew coauthor of the bestselling textbook *The Drama of Scripture* writes in his main area of expertise hermeneutics to help seminarians pursue a lifetime of biblical interpretation Integrating the latest research in theology philosophy and biblical studies this substantive hermeneutics textbook is robustly theological in its approach takes philosophical hermeneutics seriously keeps the focus throughout on the actual process of interpreting Scripture and argues that biblical interpretation should be centered in the context and service of the church an approach that helps us hear God's address today Book 2 Philosophy PB Kurt Jurgensmeier, 2012-08-22 What is God's purpose for human reason About 2000 years ago the crucifier of the truth asked Jesus What is truth John 18:38 Such questions are fundamental to human life and make up the field of epistemology It reminds us that there is a human being between us and God Epistemology has been a hot topic in Christian theology because of how our postmodern culture has questioned the very foundations of knowledge and truth It is also an important part of a systematic theology as it is helpful to understand how we know what is true before deciding what is true This is why Calvin began his *Institutes* discussing the knowledge of our self before the knowledge of God Thomas Oden has said No study of God is complete without dealing with the limits and resources of human reasoning in God's presence While many modern Christian philosophers are neglecting the God-given place of human reason in the process of divine revelation we defend it

Outsiders on the Inside William E. Boyce, 2022-05-04 Can Christian community be racially exclusive and still call itself faithful In the United States the story of Christianity has been intertwined with the story of race since the beginning All too often Christian leaders have fostered cultures that wound minority members instead of creating cultures that heal division With this history of exclusion all Christians must ask whether our churches practice the racial hospitality envisioned in the Scriptures In this necessary conversation minority pastors voice fatigue signaling that church cultures are not as welcoming as they often claim to be *Outsiders on the Inside* explores the history of race in the Presbyterian Church in America PCA comparing the denomination's core theological convictions with the experiences of Black PCA pastors This is a story of racial fatigue and resilience of learning to thrive in the midst of challenging environments This study reveals areas for growth and opens up possibilities for Christians of all races and confessions to come together creating a diverse hospitable and healing community

The Wheat and the Tares Andrew Allan Chibi, 2017-05-25 Western Christians in the late Middle Ages were accustomed to living in a hierarchical Church albeit one that had huge local differences and many divisions Half a millennium later that seeming unity has been shattered into tens of thousands of Christian denominations each with its distinctive beliefs and structure In *The Wheat and the Tares* Andrew Chibi explores the era of the Reformation showing how that unity was shattered in a few years Chibi brings out the divisions that were simmering deep beneath the surface in the era before Luther posted his 95 theses attacking the sale of indulgences on the door of the Castle Church at Wittenberg sparking momentous changes throughout Europe The widespread recognition of the need for reform is seen through the eyes of Erasmus the greatest scholar of the age Exploring the writings of the main reformers about the Church Chibi brings out the diverse ecclesiological ideas Jesus's parable of the Wheat and the Tares for Zwingli and other reformers offered an image as the reformers sought to rediscover the purity of the Church as God's gift

The Power of the Church Michael R. Wagenman, 2020-11-20 It is fascinating that in all the media reports and discussions of the church's abuse of power in the early years of the twenty first century few if any seemed to notice that the accusation of the church's misuse of power presupposed a shared understanding of the positive use of power within the church that had been violated Rather than an interest in the sociological aspect of this question this book examines the more ontological and normative aspects of it That is it investigates and discerns the foundational theological framework of culture and society and the location and purpose of the church within them As a cultural force and societal institution what does the church constructively bring to the human community
