Reformers And Their Stepchildren:

The Reformers and Their Stepchildren Leonard Verduin, 2001-08 **The Reformers and Their Stepchildren** Leonard Verduin, John J. Overholt, 1964 **The Story of Christian Theology** Roger E. Olson, 2009-08-20 In his book poised to become a standard historical theology textbook Roger Olson takes us on a journey of events ranging from the apostolic fathers to the Reformation to the present Fullerism as Opposed to Calvinism A. Chadwick Mauldin, 2010-12-22 Calvinism and its impact upon Baptist and other free church traditions is an issue of perennial importance Indeed much ink has been employed throughout the years for the purpose of considering just this topic Obviously Calvinism is a complete doctrinal system and it bears upon many other areas of theological concern beyond the doctrine of salvation While many Baptists have had a long and historic association with Calvinistic soteriology Calvinism's approach to ecclesiology and missiology should leave most self-conscious Baptists dissatisfied at best This book provides a missiological comparison of Fullerism and Calvinism Andrew Fuller or Fullerism while admittedly a form of Calvinism is shown in this book to be an exciting and vibrant alternative to historic Reformed theology particularly for Baptists and other free church traditions Fuller made a tremendous theological contribution in his day through his writings he established the doctrinal rationale for indiscriminate gospel proclamation a concept that was heavily under attack in eighteenth century Baptist life Consequently this book hopes to encourage its readers to contemplate the lack of precision in the term Calvinism when used as a Baptist nomenclature and to promote Fullerism with its acute missiological emphasis as a more helpful theological descriptor for the Baptist *The Inquisitor* Phil Erk, *The Old Heretic, His Wife*, 2012-06 As the second book in the CHAIN OF WITNESSES series opens Anseo and Eveline Tescher's grandson James has just turned 13 His father Henry is trying to counsel him about some important decisions he needs to make Choices made by James' family will land them in jail as heretics and lead to serious consequences for everyone Will the outcome of all these choices help him move his life in the right direction Join the Tescher family and many other historical figures You will experience their heartache humanly insurmountable obstacles and surprising events along this incredible journey of faith One of the historical characters that we will meet is the Little Greek engineer Sorbolo who suggested a feat of war second only to Hannibal's elephants crossing the Alps Two other historical persons of interest are the opposing generals Sforza and Piccinino who were both involved in an incident that was stranger than fiction We cannot omit the historical hero of faith the Lollard Peter English the Braveheart of Bohemia We hope you will enjoy meeting Sir George as much as we did He will draw out a wide range of emotions This knight was an unplanned character that won our hearts and wrote himself into our story In this link of the CHAIN OF WITNESSES *The Old Heretic and His Wife* have made every effort to give the reader a greater sense of appreciation for the sacrifices made to keep the gospel alive It may also provide a glimpse into our own future as the end time draws closer If you happen to read *THE INQUISITOR* first it will not diminish your enjoyment of *THE OVERCOMERS* if you read it later Be looking for book three *THE GREEK PRINTING*

PRESS coming soon *Calvin and the Anabaptist Radicals* Willem Balke,1999-10-13 The book has many fine features Dr Balke has done thorough research on his subject and presented its results in an excellent combination of chronological review and systematic analysis The principal significance of this book however is that it vindicates and in a sense rehabilitates John Calvin over against the Anabaptists and does so without perpetuating the unfair criticism of the Anabaptists which was prevalent for a long time The treatment is fair balanced and firm and of genuine historical value John H Kromminga President Calvin Theological Seminary Shepherding Movement S. David Moore,2004-04-08 An engaging history of the Shepherding Movement an influential and controversial expression of the charismatic renewal in the 1970s and 1980s This neopentecostal movement led by popular Bible teachers Ern Baxter Don Basham Bob Mumford Derek Prince and Charles Simpson became a house church movement in the United States The Shepherding Movement is a case study of an attempt at renewing church structures Many critics accused the movement of being authoritarian because of its emphasis on submission to a personal pastor or shepherd as they termed it **Infant Baptism in Historical Perspective** David F. Wright,2007-04-01 These important and incisive essays spanning more than two decades of research and engagement probe facets and episodes of infant baptism s fortunes over twenty centuries The story of pedobaptism is traced from its shadowy beginnings as a variant of faith baptism through inflated Reformation defenses as infant baptism monopolized baptismal thought and practice to biblical and ecumenical reevaluations and hopeful contemporary rapprochements across divisive waters **The Anabaptists and Contemporary Baptists** Malcolm B. Yarnell,2013 Scholars and pastors Paige Patterson Rick Warren etc offer essays on sixteenth century Anabaptists Balthasar Hubmaier Leonhard Schiemer Hans Denck etc proposing to recover the Anabaptist vision among Baptists as a means of restoring New Testament Christianity The Believers' Church Donald F. Durnbaugh,2003-09-16 The most comprehensive and authoritative review and analysis of that line of church history which runs from the sixteenth century Anabaptists to the present age of church struggle and lay renewal The authoritative volume in the field imperative reading for scholars and other thinking Christians Franklin H Littell A classic John H Yoder The best yet synthetic presentation of the Believers Church stance as a tradition The basic document which should be read by Catholics or mainstream Protestants who have hitherto understood the radical reformation heritage through polemic categories alone or as an episode of only one century Journal of Ecumenical Studies An admirable and comprehensive treatment of sect type churchmanship Indispensable material from which our judgments can be formed and our vision stimulated The Christian Century
