THE TWO-MINUTE WELLNESS PODCAST

Reframing The Body

Tom Venuto

Reframing The Body:

Reframing Sex Stevie N. Berberick, 2020-11-02 This book is an exploration of both mainstream and independent media. Grounded in qualitative methods, this book explores three trans masculine run YouTube channels alongside the streaming productions *The Chilling Adventures of Sabrina*. Orange is the New Black and *Transparent*. Analyzing and contrasting these narratives illuminates how even the most progressive of pop culture productions fail to present multi-dimensional transgender narratives, thereby intensifying stigma and shame for those outside of the binary male or female man or woman, gay or straight. In contrast, trans masculine produced YouTube vlogs such as those discussed in this book can help audience members unlearn the ways in which the continuum of sex, gender, and sexual orientation has been simplified and obscured through corporate media. These vlogs thus exemplify the various ways in which independent media acts as an educational tool toward greater awareness and perhaps empathy of for the self and others in regards to sexual identity. **Reframing**

Bodies Roger Hallas, 2009-12-02 Examines how queer filmmakers and videographers bore witness to the historical trauma of the AIDS epidemic in the late 1980s and 1990s. **The Body-Based Obsessions Workbook** Molly Bradley

Schiffer, 2025-08-01 Many people with anxiety or obsessive compulsive disorder (OCD) also struggle with body-based obsessions, constant fears, and worries about their physical or mental health. Over time, these obsessions can become debilitating and dramatically impair one's quality of life. Drawing on a combination of cognitive behavioral therapy (CBT), exposure and response prevention (ERP), mindfulness, and compassion-focused therapy, this workbook offers skills to help readers manage intrusive thoughts and body-based obsessions and take back their life. **The Body Fat Solution** Tom Venuto, 2009-01-08 The national bestseller with the ultimate program to lose body fat and build muscle and keep the weight off for good. By now, we all know that we gain fat when we take in more calories than we burn. But we're not always rational creatures when it comes to food and exercise. Tom Venuto provides a sound plan that will help us put the brakes on overeating by pinpointing the mental roadblocks and emotional eating patterns that are preventing us from losing weight for good. Guiding readers to dig deeper, *The Body Fat Solution* explores why it is so difficult to balance calorie output with input. What prevents people from eating appropriately and exercising more? The emotional and psychological factors that sabotage success. *The Body Fat Solution* shows how to personalize an eating plan that takes into account your unique metabolism and calorie needs while offering delicious new menus. Tapping into his years of training expertise and personal experience, Venuto helps readers change their relationship with food, empowers them to take charge of their lives, and delivers a program that promises dramatic and permanent results. **The Mind-Body Cure** Bal Pawa, 2020-09-15 An accessible, concise, systematic, and comprehensive primer on wellness and healing.
