Regency Royal:

Regency Royal Michael Hardwick, 1978 *BEFORE WE GET OLD* Toni Sears, 2013-02 Six years ago my mother requested that I should write a story about how things were when we all were young The experiences we had and endured along the way while making memories that would last a lifetime The things that we often sat around talking about on so many occasions and would laugh so hard we would be in tears My mother felt that other people would enjoy some of our fondest memories from my childhood as she did her best to raise her children as a single parent most of the time My family felt it was a blessing to be able to look back and laugh about it all what my mother referred to as the good old days There are some stories you would not believe but they are true some are funny and some are sad My mother passed away on Thanksgiving day of 2006 so I am really trying to keep a promise that I made to her and keep our fondest and most cherished memories from my childhood and share it with the world That is what my mother wanted me to do I really hope you enjoy Before We Get Old the good old days *Tables and Indexes* Great Britain. Parliament. House of Lords, 1910 **The First Polish Americans** T.
