Jacqueline Golding,2006-01-01 With over 500 hand picked titles *Healing Stories* recommends carefully selected books essential for any adult looking to help children cope with their growing pains through reading Featuring the long established children s classics and the most recent library sensations these hand picked stories address kids struggles from the everyday to life changing while offering adults the information they need to make the right choices for their kids Also includes useful tips to make reading fun and helpful for both adults and children *Fishwives* Sally Bellerose,2021-02-09 Eighty nine year old Regina and ninety year old Jackie met in 1955 an era when women were rounded up and jailed simply for dancing

together or dressing like a man On a cold winter day they manage to get themselves out of the house with the help of TJ and Ramon two young men from their working class neighborhood in Western Massachusetts They tie their long dead Christmas tree to the top of their car and using a screwdriver in place of a broken gearshift slowly make the drive to the dump This is also the day when everything changes During the course of their adventure memories are triggered Their history as a passionate and devoted but troubled couple at the intersection of historic cultural and political change unfolds via scenes from the past including their first meeting during a police raid on a bar and Regina s epiphany that she could truly love another woman In the early years they often live apart as they flee landlords who discover their secret As their journey leads them to seek jobs and a sustainable life they are sometimes separated but always find their way back to each other Combining the pathos and social significance of Fried Green Tomatoes at the Whistle Stop Caf and the humor of The Golden with a cast of diverse characters worthy of the musical Rent Fishwives chronicles a lifetime through the eyes of two old women behaving badly
