Regional Behaviour Political Values And Economic Growth In European Regions:

Regional Behaviour Dimitrios C. Christopoulos, 2018-02-06 This title was first published in 2001 In the framework of the EU a number of policies have been devised for regions in order to facilitate their balanced economic development The author argues that the focus on regional planners and their actions in academic literature has obscured the importance of regional elites in this process The author compares Western Scotland and the west of Crete focusing on the wider regional political and business elites within these regions and attempting a comparison of elite attitudes within regions and between regions

Democratic Consolidation and Europeanization in Romania Sergiu Mişcoiu, 2021-09-07 This volume is a multi dimensional analysis of Romania's political economic cultural and societal transformation after 1989 It synthetically depicts the main stages of the processes of democratic transition and consolidation as well as the subsequent phenomena of Europeanization but also the series of more recent democratic setbacks that affected the Romanian society The overall perspective is integrative providing the reader with a balanced and complete understanding of Romania's post communist challenges without being spared of the most sensitive aspects The volume gathers the contributions of some of the most distinguished experts in different sub fields of transition studies including political systems societal transformations minority rights macro economic dynamics and foreign policy *Ibss: Economics: 2001* Compiled by the British Library of Political and Economic Science, 2002-12 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Borders and Margins Guy Lachapelle, Pablo Oñate, 2018-08-13 The theory and concept of multi level governance MLG is a fairly recent one emerging from the deepening integration of the European Union in the early 1990s and the development of free trade agreements around the world MLG enlarges the traditional approaches namely those of neo institutionalism and multinational federalism by offering a better understanding of the role of the state regions and provinces The book analyses the changes that have taken place as well as those that might take place in the future **The Cultural Diversity of**

European Unity Wil Arts, Jacques Hagenaars, Loek Halman, 2003-12-01 This volume deals with the values of the people in contemporary Europe Using the survey data from the European Values Study a number of basic values and the dynamics of value change are explored from an economic political social and religious moral point of view Part 1 focuses on Europe's values from an empirical analytical and a historical point of view and also presents the views of three eminent Europeans Part 2 deals with in depths analyses of European values based on the empirical data set covering basic orientations in most of the domains of human life Part 3 contains reflections on the empirical findings the value of value research the hidden assumptions behind it and the deeper layers of Europe's position and developments **A Behavioural Theory of**

Economic Development Robert Huggins, Piers Thompson, 2021 This book establishes a novel behavioural theory of economic development to illustrate that differences in human behaviour across cities and regions both individually and

collectively are a significant deep rooted cause of uneven development within and across nations

Political Cultures in Asia and Europe Jean Blondel, Takashi Inoguchi, 2006-09-27 Drawing on data from the largest cross national survey on political culture for the last half a century this is an original and comprehensive study of the attitudes to political and social life among the citizens of eighteen countries in Europe and Asia

Handbook on the Geographies of Regions and Territories Anssi Paasi, John Harrison, Martin Jones, 2018-07-27 This new international Handbook provides the reader with the most up to date and original viewpoints on critical debates relating to the rapidly transforming geographies of regions and territories as well as related key concepts such as place scale networks and regionalism Bringing together renowned specialists who have extensively theorized these spatial concepts and contributed to rich empirical research in disciplines such as geography sociology political science and IR studies this interdisciplinary collection offers fresh cutting edge and contextual insights on the significance of regions and territories in today's dynamic world

Europe and its Regions Gerd Grözinger, C. Katharina Spieß, 2021-02-10 Europe is getting closer So are European social sciences However this is easier done in theory development and central research questions When it comes to data the mutual understanding is far from perfect due to a lack of knowledge about the data bases of the respective countries and the EU in general This is particularly true when it comes to the regional level This volume will help to improve the insight into the rich stock of European datasets which cover any kind of regional information Many institutions ranging from statistical offices to more academic research centres and commercial enterprises report their offerings with special emphasis on the regional level e.g. European Community Household Panel European Social Survey Labour Force Survey Central categories such as NUTS and LAU are explained and discussed In addition typical examples of socio economic cross border and multi level studies highlight the power of a regionalized European perspective Furthermore information about special tools for such type of analysis is included in the volume

Regional Integration - Europe and Asia Compared Woosik Moon, 2017-07-05 This book examines and compares the integration process in both Europe and Asia and draws some possible lessons for East Asia from the European experience The book embraces the political dimension of integration peace and security economic trade and monetary aspects as well as cultural aspects

Politics and Pan-Africanism Dawn Nagar, 2019-12-12 Offering an examination of the diplomatic and economic regional power structures in Africa and their relationships with each other Dawn Nagar discusses the potential and future of pan Africanism The three primary regional economic communities RECs that are recognised by the African Union as the key building blocks of a united Africa are examined these are the Common Market for Eastern and Southern Africa COMESA the East African Community EAC and the Southern African Development Community SADC These RECs include Africa's major economies Egypt South Africa and Kenya but are also home to Africa's most conflict prone and volatile states the Democratic Republic of the Congo DRC Burundi South Sudan Somalia and Lesotho Providing a detailed overview of the current relationship between these power blocs this book provides insight into the current state of diplomatic

and economic relations within Africa and shows how far there is to go for a future of Pan Africanism *Handbook of Regions and Competitiveness* Robert Huggins, Piers Thompson, 2017-03-31 The aim of this Handbook is to take stock of regional competitiveness and complementary concepts as a means of presenting a state of the art discussion of the contemporary theories perspectives and empirical explanations that help make sense of the determinants of uneven development across regions Drawing on an international field of leading scholars the book is assembled and organized so that readers can first learn about the theoretical underpinnings of regional competitiveness and development theory before moving on to deeper discussions of key factors and principal elements the emergence of allied concepts empirical applications and the policy context *Bridging the Prosperity Gap in the EU* Ulf Bernitz, Moa Mårtensson, Thomas Persson, Lars Oxelheim, 2018-02-23 Taking an interdisciplinary approach the authors invaluable pinpoint both overarching problems and possibilities associated with the social dimension of European integration Prominent researchers of economics law and political science tackle this complex issue providing new solutions within their respective fields of expertise Illustrating the importance of cohesion this book is vital for those interested in comparative European studies from backgrounds in public and social policy law and economics **Gender and Diversity: Concepts, Methodologies, Tools, and Applications** Management Association, Information Resources, 2018-08-03 Today gender inequality and diversity are at the forefront of discussion as the issue has become an international concern for politicians government agencies social activists and the general public Consequently the need to foster and sustain diversity and inclusiveness in the interactions among various groups of people is relevant today more than ever Gender and Diversity Concepts Methodologies Tools and Applications provides a critical look at gender and modern day discrimination and solutions to creating sustainable diversity across numerous contexts and fields Highlighting a range of topics such as anti discrimination measures workforce diversity and gender inequality this multi volume book is designed for legislators and policy makers practitioners academicians gender studies researchers and graduate level students interested in all aspects of gender and diversity studies *Great Minds in Regional Science, Vol. 3* Peter Batey, David Plane, 2025-07-31 This book is the third volume in a series on Great Minds in Regional Science which seeks to present a contemporary view on the scientific relevance of the work done by great thinkers in regional science This volume presents among others Walter Christaller Benjamin H Stevens William Alonso and François Perroux Each chapter combines factual biographical information about the Great Mind a description of their major contributions and a discussion of the broader context of their work as well as an assessment of its current relevance scientific recognition and policy impact The book attempts to fill a gap in our knowledge and to respond to the growing interest in the formation and development of the field of regional science and its key influential figures **Asian Nationalism in an Age of Globalization** Roy Starrs, 2013-10-23 Topics include Government Intervention and Economic Growth in East Asia Agricultural Nationalism in the Age of Globalization Japan's Dominance and Multi Racial Coalitions in Malaysia *In Fact*

Mark Henry,2021-10-22 This optimistic guide to Ireland at 100 tells our national story through facts and stats placing Ireland under the microscope to chart 100 achievements of the past 100 years Ireland remained one of the most poverty stricken nations in Europe for decades after the State was formed Yet now it has the second highest standard of living in the world Author Mark Henry has gathered the data to tell an under told story of our national progress across every aspect of Irish life He identifies the factors that account for Ireland s extraordinary success as well as the five most prominent psychological biases that prevent us from recognising how far we have come He also highlights the greatest challenges that we must now address if we are to continue to progress in the century ahead While there is still more to be done In Fact illustrates that Ireland for all its imperfections is in a much better state than you might think *Documents* Council of Europe: Parliamentary Assembly,2003-11-28 **Annual Report on the Development of the Indian Ocean Region (2017)** Wang Rong,Cuiping Zhu,2018-11-11 The report was written by senior scholars of international studies and Indian Ocean studies and focuses on international relations in the Indian Ocean region and covers many aspects of OBOR policy and South Asia The report includes both a strategic review and major events as well as related data in this region This book also includes the origin the aims frameworks the regional and global impact of India s new development under the Modi administration The book includes the authors from 5 different institutes in China which provide readers with a full and authentic picture of India s most recent development This year s Annual Report is the fourth of this kind and the only one which covers exclusively the Indian Ocean region in China **Anti-Europeanism, Populism and European Integration in a Historical Perspective** Andrea Guiso,Daniele Pasquinucci,2024-06-14 This book explores the long term origins of populist Euroscepticism Taking a historical perspective to move beyond explaining present day expressions of opposition to the European Union in isolation this book reveals the historical sedimentation of the several ways and forms taken over decades by opposition towards European integration As such this approach with contributions from across disciplines explains not just the past of Euroscepticism but also its current nature and future prospects This book will be of key interest to scholars and students of European History European Politics and Studies and more broadly to Political Science International Relations the Humanities and Social Sciences
