Regionalism And Realism:

Realism and Regionalism, 1860-1910 Roger Lathbury, 2005 **Realism and Regionalism (1860-1910)** Roger Lathbury, Jerry Phillips, Michael Anesko, Karen Meyers, 2010 Explores the social cultural and historical contexts of American literature from 1860 to 1910 *Regionalism and Realism* Gerald Benjamin, Richard P. Nathan, 2001-06-01 Drawing on the history of state and local government in the New York Tri State metropolitan region the authors present a pathbreaking new theory about the values reformers must understand and balance in order to tackle the hard challenges of reforming and regionalizing local governance in the complex dynamic world of American politics and public policy Their examination of the way 2 179 local governments in the Tri State region have evolved over more than a century pays special attention to New York City but is applicable to other metropolitan areas It brings to life ideas that are crucial to a subject that in the academic literature is often treated in a way that is abstract and hard to grasp This is a valuable book for scholars political leaders and students interested in regionalism in metropolitan America and in the fascinating history and governance of the nation s largest city and its vast metropolitan region **Regionalism and Realism** Gerald Benjamin, Richard P. Nathan, 2001 Drawing on the history of state and local government in the New York Tri State metropolitan region the authors present a pathbreaking new theory about the values reformers must understand and balance in order to tackle the hard challenges of reforming and regionalizing local governance in the complex dynamic world of American politics and public policy Their examination of the way 2 179 local governments in the Tri State region have evolved over more than a century pays special attention to New York City but is applicable to other metropolitan areas It brings to life ideas that are crucial to a subject that in the academic literature is often treated in a way that is abstract and hard to grasp This is a valuable book for scholars political leaders and students interested in regionalism in metropolitan America and in the fascinating history and governance of the nation s largest city and its vast metropolitan region *Regionalism and Realism in Land-use Planning* Charles Monroe Haar, 1957 **Realism and Regionalism, 1865-1914** Gary Scharnhorst, Tom Quirk, 2010 A series of handbooks provides strategies for studying and writing about frequently taught literary topics with each volume offering study guides background information suggestions for areas of research and a list of secondary sources **Research Guide to American Literature** Gary Scharnhorst, 2010 **New Zealand Painting** Michael Dunn, 2003 Completely revised and updated Chapters have been rewritten Also added in a substantial new chapter on contemporary Maori and Pacific Island painting as well as an acknowledgement of the coming wave of Asian artists **Research Guide to American Literature** Benjamin Franklin, 2010 Presents American literature from the beginnings to the Revolutionary War including essays narratives and more **A Companion to the Regional Literatures of America** Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical

and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature A Companion to American Fiction, 1865 - 1914 Robert Paul Lamb, G. R. Thompson, 2008-04-15 A Companion to American Fiction 1865 1914 is a groundbreaking collection of essays written by leading critics for a wide audience of scholars students and interested general readers An exceptionally broad ranging and accessible Companion to the study of American fiction of the post civil war period and the early twentieth century Brings together 29 essays by top scholars each of which presents a synthesis of the best research and offers an original perspective Divided into sections on historical traditions and genres contexts and themes and major authors Covers a mixture of canonical and the non canonical themes authors literatures and critical approaches Explores innovative topics such as ecological literature and ecocriticism children s literature and the influence of Darwin on fiction Subregionalism and World Order Glenn D. Hook, Ian Kearns, 1999-08-31 Subregionalism and World Order brings together the work of a diverse range of area specialists in its treatment of sub regional cooperation schemes Sub regional projects covered include the Central European Free Trade Area the Black Sea Economic Scheme Ecowas in West Africa Mercosur The Association of Caribbean States Chilean strategies of subregional cooperation the Greater China project Asean and the East Asian Economic Caucus This is the first volume of its kind to embrace such a geographically diverse treatment of the subregional system Through comparison of the various schemes it also seeks to mount a case for a new IPE perspective in the understanding of subregional cooperation **The Country of the Pointed Firs** Sarah Orne Jewett, 2009-11-13 A sharply observed affectionate and unsentimental portrait of life in a Maine fishing village The Country of the Pointed Firs is Sarah Orne Jewett s most enduring work and commonly regarded as the finest example of American regionalist literature in the nineteenth century It was originally published in four installments of the Atlantic Monthly in 1896 this Broadview Edition is based on the Atlantic serialization and also includes the four other stories set in Dunnet Landing The critical introduction situates the text in its historical cultural and literary milieu attending to its place in Jewett s oeuvre and in her biography Appendices include earlier local color writing by Jewett and others Jewett s letters and contemporary reviews of the novel Rich and Strange Marianne DeKoven, 1991-10-27 Like the products of the sea change described in Ariel s song in The Tempest modernist writing is rich and strange Its greatness lies in its density and its dislocations which have until now been viewed as a repudiation of and an alternative to the cultural implications of turn of the century political radicalism Marianne DeKoven argues powerfully to the contrary maintaining that modernist form evolved precisely as a means of representing the terrifying appeal of movements such as socialism and feminism Organized around pairs and groups of female and male signed texts the book reveals the gender inflected ambivalence of modernist writers Male modernists desiring utter change nevertheless feared the loss of hegemony it might entail while female modernists feared punishment for desiring such change With water imagery as a focus throughout DeKoven provides extensive new readings of

canonical modernist texts and of works in the feminist and African American canons not previously considered modernist Building on insights of Luce Irigaray Klaus Theweleit and Jacques Derrida she finds in modernism a paradigm of unresolved contradiction that enacts in the realm of form an alternative to patriarchal gender relations **Reading Kenneth**

Frampton Gevork Hartoonian,2022-05-10 This book focuses on the first edition of Kenneth Frampton s *Modern Architecture A Critical History* published in 1980 It searches for clues and positions that will provide the reader with an unprecedented insight into the significance of Frampton s historiography of modern architecture It explores selected themes in line with Frampton s many faceted contribution certain aspects of which can be noted between the lines of his ongoing criticism of the present day architecture which inevitably lead us to a critical understanding of the past the modernity of architecture s contemporaneity The compiled chapters attempt to open a window onto the constellation of themes that allowed Frampton to hold on to his anteroom view of history even amidst the flow of time and flood of temporalities spanning 1980 2020 The book elucidates how Frampton s critical presentation of the history of modern movement architecture and the book s classificatory mode periodization contribute to our understanding of the contemporaneity of architecture today **Handbook on Global**

Governance and Regionalism Jürgen Rüland,Astrid Carrapatoso,2022-11-18 This Handbook expertly explores the profound transformations in international relations in recent decades Proliferating cross border challenges including global financial crises climate change environmental degradation irregular migration and COVID 19 require governance structures that transcend the nation state and take both global and regional interplay as well as problem solving capacities into account Contributing authors investigate the effectiveness of international cooperation and performance in a diverse range of policy fields **Geography and the Production of Space in Nineteenth-Century American Literature** Hsuan L.

Hsu,2010-05-06 This book examines how literature represents different kinds of spaces from the single family home to the globe It focuses on how nineteenth century authors drew on literary tools including rhetoric setting and point of view to mediate between individuals and different spaces and re examines how local spaces were incorporated into global networks

Order and Security in Southeast Asia Michael Leifer,2006 Michael Leifer who died in 2001 was one of the leading scholars of Southeast Asian international relations This is an academic and personal volume devoted to Leifer s vast contributions to the discipline of international relations **Globalising the Regional, Regionalising the Global: Volume**

35, Review of International Studies Rick Fawn,2009-04-30 A collection of leading international scholars examine the concept of regions from a range of perspectives and assess leading contemporary examples **The Columbia Literary**

History of the United States Emory Elliott,1988-02-15 For the first time in four decades there exists an authoritative and up to date survey of the literature of the United States from prehistoric cave narratives to the radical movements of the sixties and the experimentation of the eighties This comprehensive volume one of the century s most important books in American studies extensively treats Hawthorne Melville Dickinson Hemingway and other long cherished writers while also

giving considerable attention to recently discovered writers such as Kate Chopin and to literary movements and forms of writing not studied amply in the past Informed by the most current critical and theoretical ideas it sets forth a generation's interpretation of the rise of American civilization and culture The Columbia Literary History of the United States contains essays by today's foremost scholars and critics overseen by a board of distinguished editors headed by Emory Elliott of Princeton University These contributors reexamine in contemporary terms traditional subjects such as the importance of Puritanism Romanticism and frontier humor in American life and writing but they also fully explore themes and materials that have only begun to receive deserved attention in the last two decades Among these are the role of women as writers readers and literary subjects and the impact of writers from minority groups both inside and outside the literary establishment
