The Love of the Rose is set to inspire and develop confidence in ones own beliefs and thoughts To believe and think is not  
taboo and should be developed for all to listen of course with respect to every one elses opinions and beliefs and to discuss  
The Love of the Rose was written in inspiration of positive virtues that has been seen in the world through the ages I wrote  
this book in the best intention to encourage people to speak up and voice their opinions all with respect and politeness There  
is no right or wrong way of developing an opinion as long as it gives the world a better understanding of the various  
occupants of this place we call home This book is made with the intention to show people that positive virtues and positive  
ways of expressing one self is what the world needs to unite no matter what creed political views or level of education  
Brotherhood and tolerance amongst people is needed to connect peacefully and allow to freely expressing ourselves in a  
manner that is not judgmental or oppressive to others this is needed in a world full of miscommunications and aggressiveness  
The Love of the Rose is my feelings and my thoughts they are not to bewilder anyone They are there to open free speech  
peace and another way of thinking The more people who are open to their opinions the more that one can understand And  
with understanding from where our neighbors come from will bring tolerance And with tolerance one can fight for the  
opinions of others and the feelings that are involved This is a step for peace in a micro societal way Inner peace and  
tolerance comes with understanding of each others thoughts and backgrounds and with all this peace will come in a macro
