Regular Army On The Eve Of The Civil War:

The Regular Army on the Eve of the Civil War George T. Ness,1990-01-01 **Of Duty Well and Faithfully Done**
Clayton R. Newell,Charles R. Shrader,2011-07-01 On the eve of the Civil War the Regular Army of the United States was small dispersed untrained for large scale operations and woefully unprepared to suppress the rebellion of the secessionist states Although the Regular Army expanded significantly during the war reaching nearly sixty seven thousand men it was necessary to form an enormous army of state volunteers that overshadowed the Regulars and bore most of the combat burden Nevertheless the Regular Army played several critically important roles notably providing leaders and exemplars for the Volunteers and managing the administration and logistics of the entire Union Army In this first comprehensive study of the Regular Army in the Civil War Clayton R Newell and Charles R Shrader focus primarily on the organizational history of the Regular Army and how it changed as an institution during the war to emerge afterward as a reorganized and permanently expanded force The eminent award winning military historian Edward M Coffman provides a foreword The Civil War Diaries of Cassie Fennell Whitney A. Snow,2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war s end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow s compilation adds to the now growing genre of women s Civil War diaries Insightful and engrossing The Civil War Diaries of Cassie Fennell is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation **American Civil War** Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the

role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

Reflections of a Civil War Historian Herman Hattaway, 2004 **Six Encounters with Lincoln** Elizabeth Brown Pryor, 2017-02-07 Winner of the Barondess Lincoln Award from The Civil War Round Table of New York Fascinating reading this book eerily reflects some of today's key issues The New York Times Book Review From an award winning historian an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U S Army officers on the eve of the Civil War A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist A tense exchange on a navy ship with a Confederate editor and businessman In this eye opening book Elizabeth Brown Pryor examines six intriguing mostly unknown encounters that Abraham Lincoln had with his constituents Taken together they reveal his character and opinions in unexpected ways illustrating his difficulties in managing a republic and creating a presidency Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself the clamorous diversity of the populace with its outspoken demands She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple concerns that make up being a political leader how conflicted he was over the problem of emancipation and the misperceptions Lincoln and the South held about each other Pryor also provides a fascinating discussion of Lincoln's fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power Based on scrupulous research that draws on hundreds of eyewitness letters diaries and newspaper excerpts **Six Encounters with Lincoln** offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with and who had to deal with the many critics naysayers and dilemmas he faced without always knowing the right answer What it shows most clearly is that greatness was not simply laid on Lincoln's shoulders like a mantle but was won in fits and starts **The United States Army and the Making of America** Robert Wooster, 2021-04-01 The United States Army and the Making of America From Confederation to Empire 1775-1903 is the story of how the American military and more particularly the regular army has played a vital role in the late eighteenth and nineteenth century United States that extended beyond the battlefield Repeatedly Americans used the army not only to secure their expanding empire and

fight their enemies but to shape their nation and their vision of who they were often in ways not directly associated with shooting wars or combat That the regular army served as nation builders is ironic given the officer corps obsession with a warrior ethic and the deep seated disdain for a standing army that includes Thomas Jefferson s Declaration of Independence the writings of Henry David Thoreau and debates regarding congressional appropriations Whether the issue concerned Indian policy the appropriate division of power between state and federal authorities technology transportation communications or business innovations the public demanded that the military remain small even as it expected those forces to promote civilian development Robert Wooster s exhaustive research in manuscript collections government documents and newspapers builds upon previous scholarship to provide a coherent and comprehensive history of the U S Army from its inception during the American Revolution to the Philippine American War Wooster integrates its institutional history with larger trends in American history during that period with a special focus on state building and civil military relations The United States Army and the Making of America will be the definitive book on the army s relationship with the nation from its founding to the dawn of the twentieth century and will be a valuable resource for a generation of undergraduates graduate students and virtually any scholar with an interest in the U S Army American frontiers and borderlands the American West or eighteenth and nineteenth century nation building

The 6th United States Cavalry in the Civil War Donald C.

Caughey, Jimmy J. Jones, 2013-04-25 This is the first scholarly history of the only regular army cavalry regiment raised during the Civil War Unlike volunteer regiments raised by individual states the regular regiments drew soldiers from across the country By war s end 2 130 men and at least one woman from 29 states and 14 countries served in the 6th U S Cavalry The regiment s initial cast of officers included two grandsons of a former president a cousin of Confederate President Jefferson Davis two cousins of the governor of Pennsylvania the son of a Radical Republican senator who opposed President Lincoln and a number of enlisted soldiers promoted from the ranks The book relies heavily upon primary sources to tell the regiment s story in the words of the participants These include diaries and letters of officers and enlisted soldiers alike several of which are previously unpublished Official reports are excerpted when appropriate to provide the commander s view of the regiment s performance

Army Regulars on the Western Frontier, 1848-1861 Durwood Ball, 2001 Unlike previous

histories this book argues that the politics of slavery profoundly influenced the western mission of the regular army affecting the hearts and minds of officers and enlisted men both as the nation plummeted toward civil war

BOOK JACKET

Riding in Circles J.e.b. Stuart and the Confederate Cavalry 1861-1862 ,

Atlas of American Military History James C. Bradford, 2003 From the Battle of Bunker Hill to the Battle of Midway from Vietnam to the Persian Gulf from George Washington to Douglas MacArthur The Atlas of American Military History covers the full span of America at war exploring the personalities methods strategies and historical contexts of each conflict Following a loose chronological framework this book examines every significant military campaign and war in which the United States has been engaged both domestically

and internationally from the Revolutionary War to the present Written by trusted military historians each section combines analysis with a strong narrative account and an assessment of major campaigns and battle taking up the American viewpoint as well as those of its allies and opponents Military method weaponry and communication technology receive detailed treatment in the text and in the maps The center point of the book is its stunning color maps including historical military cartography specially commissioned maps and graphic reconstructions These maps show troop ship and aircraft movements of major campaigns and battles the theaters of fighting the balance of forces and the wider strategic picture It also features hundreds of illustrations appendixes and a glossary and information on military commanders events treaties code names and civilian personalities Edited by noted historian James Bradford The Atlas of American Military History is a beautiful and informative volume for history buff and general reader alike *Armies South, Armies North* Alan Axelrod, 2017-05-01 An argument settler and starter for Civil War buffs who want to know which side had the better soldiers *Armies South Armies North* definitively compares the military forces of both sides Civil War buffs are always arguing over which side had the better soldiers *Armies South Armies North* by Alan Axelrod helps readers reconsider their understanding of America's most harrowing war Axelrod is the author of more than one hundred books with a passion for military history and leadership Each chapter of his new book compares the military forces with both quantitative and qualitative measures Axelrod analyzes the equipment the leadership and strategies and the men who fought in each army with additional focus on lesser known flash points during the war **West Pointers and the Civil War** Wayne Wei-siang Hsieh, 2009 Most Civil War generals were graduates of West Point and many of them helped transform the U S Army from what was little better than an armed mob that performed poorly during the War of 1812 into the competent fighting force that won the Mexican War **Wa** **Professional Journal of the United States Army**, 1998 **Army History**, 2000 *The Grammar of Civil War* Will Fowler, 2022-07 Unlike wars between nations wherein the population generally comes together to defend its borders and is united by a common national goal civil wars tear countries apart divide families and turn neighbors against each other Civil wars are a form of self harm in which a country's people seek redemption through self destruction punishing or severing those parts that are seen to have made the nation ill And yet civil wars with their characteristically appalling violence remain chillingly common defying the notion that they are somehow an aberration In *The Grammar of Civil War* Will Fowler examines the origin process and outcome of civil war Using the Mexican Civil War of 1857-61 or the War of the Reform the political and military conflict that erupted between the competing liberal and conservative visions of Mexico's future Fowler seeks to understand how civil wars come about and when they do how they unfold and why By outlining the grammatical principles that underpin a new framework for the study of civil war Fowler stresses what is essential for one to take place and explains how once it has erupted it can be expected to develop and end according to the syntax morphology and meanings that characterize and help understand the grammar of civil war generally **American Military History**

Maurice Matloff, 1973 *A Companion to American Military History* James C. Bradford, 2009-11-03 With more than 60 essays *A Companion to American Military History* presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present. Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq. Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music, military ethics, care of the dead, and sports. Surveys and evaluates the best scholarship on every important era and topic. Summarizes current debates and identifies areas where conflicting interpretations are in need of further study.

America's First Battles, 1776-1965 Charles E. Heller, William A. Stofft, 1986 This volume a collection of eleven original essays by many of the foremost U S military historians focuses on the transition of the Army from parade ground to battleground in each of nine wars the United States has fought. Through careful analysis of organization, training, and tactical doctrine, each essay seeks to explain the strengths and weaknesses evidenced by the outcome of the first significant engagement or campaign of the war. The concluding essay sets out to synthesize the findings and to discover whether or not American first battles manifest a characteristic rhythm. *America's First Battles* provides a novel and intellectually challenging view of how America has prepared for war and how operations and tactics have changed over time. The thrust of the book, the emphasis on operational history, is at the forefront of scholarly activity in military history. This book is part of the Modern War Studies series.

Regular Army On The Eve Of The Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regular Army On The Eve Of The Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regular Army On The Eve Of The Civil War has opened up a world of possibilities. Downloading Regular Army On The Eve Of The Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regular Army On The Eve Of The Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regular Army On The Eve Of The Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regular Army On The Eve Of The Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regular Army On The Eve Of The Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Regular Army On The Eve Of The Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regular Army On The Eve Of The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regular Army On The Eve Of The Civil War is one of the best book in our library for free trial. We provide copy of Regular Army On The Eve Of The Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regular Army On The Eve Of The Civil War. Where to download Regular Army On The Eve Of The Civil War online for free? Are you looking for Regular Army On The Eve Of The Civil War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Regular Army On The Eve Of The Civil War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Regular Army On The Eve Of The Civil War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books

categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Regular Army On The Eve Of The Civil War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Regular Army On The Eve Of The Civil War To get started finding Regular Army On The Eve Of The Civil War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Regular Army On The Eve Of The Civil War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Regular Army On The Eve Of The Civil War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Regular Army On The Eve Of The Civil War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Regular Army On The Eve Of The Civil War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Regular Army On The Eve Of The Civil War is universally compatible with any devices to read.
