Rehearsing Absence Poems Richard Wilbur Award 4:

Formal Matters in Contemporary Latino Poetry F. Aldama, 2016-01-26 Today's Latino poetry scene is incredibly vibrant. With original interviews this is the first meditation on the thematic features of such poetry. Looking at how Julia Alvarez, Rhina Espaillat, Rafael Campo, and C. Dale Young use structures such as meter, rhyme, and line break, this study identifies a poetics of formalist Latino poetry.

The Open Door Don Share, Christian Wiman, 2022-12-22 If readers would like to sample the genius and diversity of American poetry in the last century, there's no better place to start. *World Literature Today*. When Harriet Monroe founded *Poetry* magazine in Chicago in 1912, she began with an image: the Open Door. For a century, the most important and enduring poets have walked through that door: William Carlos Williams and Wallace Stevens in its first years; Rae Armantrout and Kay Ryan in 2011. And at the same time, *Poetry* continues to discover the new voices who will be read a century from now. To celebrate the magazine's centennial, the editors combed through *Poetry*'s incomparable archives to create a new kind of anthology. With the self-imposed limitation to one hundred, they have assembled a collection of poems that in their juxtaposition echo across a century of poetry. Here Adrienne Rich appears alongside Charles Bukowski; famous poems of the two world wars flank a devastating yet lesser-known poem of the Vietnam War. Short extracts from *Poetry*'s letters and criticism punctuate the verse selections, hinting at themes and threads and serving as guides, interlocutors, or dissenting voices. The resulting volume is a celebration of idiosyncrasy and invention, a vital monument to an institution that refuses to be static and, most of all, a book that lovers of poetry will devour, debate, and keep close at hand.

Poets & Writers, 2001 *The Greenwood Encyclopedia of Latino Literature* Nicolás Kanellos, 2008-08-30 From East L.A. to the barrios of New York City and the Cuban neighborhoods of Miami, Latino literature or literature written by Hispanic peoples of the United States is the written word of North America's vibrant Latino communities. Emerging from the fusion of Spanish, North American, and African cultures, it has always been part of the American mosaic. Written for students and general readers, this encyclopedia surveys the vast landscape of Latino literature from the colonial era to the present. Aiming to be as broad and inclusive as possible, the encyclopedia covers all of native North American Latino literature as well as that created by authors originating in virtually every country of Spanish America and Spain. Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors. While most of the entries are on writers such as Julia Alvarez, Sandra Cisneros, Lorna Dee Cervantes, Oscar Hijuelos, and Piri Thomas, others cover genres, ethnic and national literatures, movements, historical topics and events, themes, concepts, associations, and organizations, and publishers and magazines. Special attention is given to the cultural, political, social, and historical contexts in which Latino literature has developed.
