**The RE Generation** Jack Uldrich, Camille Kolles, 2022-06-28 What Matters Most A powerful generation already in motion is extending and deepening its roots before our very eyes a generation not defined by age but rather by heart A rapidly growing segment of leaders whose work integrates action in the world with what matters most to the heart and spirit are reimagining rethinking rebuilding and renewing the world around us Individuals businesses and corporations must understand cater to leverage and ultimately join this generation if they wish to succeed in the future For in the end there is only one generation that will matter to the planet and that is the Re Generation This uplifting book gives you permission to not only reimagine a future of greater congruence between your deep values and outer actions but to hear your own promptings for becoming an uncompromising force for good in the world and advance skills to help usher this new world into creation

**Stops Along the Way** L. Brent Bozell III, 2021-12-07 Stops Along the Way tells tales of ten red headed Catholic children raised on a farm in the 60s just seventy miles from our nation s capital yet so rural that they could be welcomed by both the KKK and a diminutive black man who would become part of the family attending high school in the 70s in another country on another continent alone with two brothers free to explore mysterious castles and watch gripping bullfights while enrolled in a school built in the Middle Ages working in the 80s in the most successful political enterprise of its time yet forgotten just one generation later shooting commercials in war zones while accused of starting a war and have you ever wondered what it was like to take off on one airplane from inside a cornfield or look out the window of another and watch a rocket ship fly by Stops Along the Way tells all this and so much more timeless stories that are the perfect antidote for today s poisonous headlines

**Re-imagining University Assessment in a Digital World** Margaret Bearman, Phillip Dawson, Rola Ajjawi, Joanna Tai, David Boud, 2020-07-13 This book is the first to explore the big question of how assessment can be refreshed and redesigned in an evolving digital landscape There are many exciting possibilities for assessments that contribute dynamically to learning However the interface between assessment and technology is limited Often assessment designers do not take advantage of digital opportunities Equally digital innovators sometimes draw from models of higher education assessment that are no longer best practice This gap in thinking presents an opportunity to consider how technology might best contribute to mainstream assessment practice Internationally recognised experts provide a deep and unique consideration of assessment s contribution to the technology mediated higher education sector The treatment of assessment is contemporary and spans notions of assessment for learning measurement and the roles of peer and self within

assessment Likewise the view of educational technology is broad and includes gaming learning analytics and new media The intersection of these two worlds provides opportunities dilemmas and exemplars This book serves as a reference for best practice and also guides future thinking about new ways of conceptualising designing and implementing assessment

Reimagining Capitalism in a World on Fire Rebecca Henderson, 2020-04-28 A renowned Harvard professor debunks prevailing orthodoxy with a new intellectual foundation and a practical pathway forward for a system that has lost its moral and ethical foundation Free market capitalism is one of humanity's greatest inventions and the greatest source of prosperity the world has ever seen But this success has been costly Capitalism is on the verge of destroying the planet and destabilizing society as wealth rushes to the top The time for action is running short Rebecca Henderson's rigorous research in economics psychology and organizational behavior as well as her many years of work with companies around the world give us a path forward She debunks the worldview that the only purpose of business is to make money and maximize shareholder value She shows that we have failed to reimagine capitalism so that it is not only an engine of prosperity but also a system that is in harmony with environmental realities the striving for social justice and the demands of truly democratic institutions Henderson's deep understanding of how change takes place combined with fascinating in depth stories of companies that have made the first steps towards reimagining capitalism provide inspiring insight into what capitalism can be Together with rich discussions of important role of government and how the worlds of finance governance and leadership must also evolve Henderson provides the pragmatic foundation for navigating a world faced with unprecedented challenge but also with extraordinary opportunity for those who can get it right
