Reincarnation in Christianity Geddes MacGregor,1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems

Encyclopedia of Reincarnation and Karma Norman C. McClelland,2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices **The Cyclical Serpent**

Paul G. Halpern,2013-11-11 Halpern s journey leads us through the most extraordinary breakthroughs in twentieth century physics and cosmology and to the remarkable tools scientists employ to look backward and forward in time He also reveals the fascinating pieces of the puzzle still missing from our picture of the universe keys that promise to unlock our elusive destiny What is dark matter and how much of our universe does it comprise What is the size and age of the universe How did events unfold in the critical seconds after the Big Bang The answers to these and other questions will help us decipher our fate **Reincarnation in America** Lee Irwin,2017-07-31 Reincarnation in America An Esoteric History surveys the

complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional **EXPLORING REINCARNATION** Hans

TenDam,2012-12-31 Exploring Reincarnation examines the full range of explanations for past life recall This definitive study includes case histories from around the world as well as intriguing theories about the relationship between body and soul from general social beliefs about past lives to detailed questions about karma and past life regression therapy An outstanding introduction to reincarnation from a historical scientific and philosophical point of view Exploring Reincarnation is the now
