Everything in this world is sound even light itself So if everything is sound what you currently are desiring is sound whether
that s a change in appearance an object or an entirely new life experience So the question then becomes how does a radio
station receive sound in the first place The answer to this is frequency When a sound is in a particular frequency it s
inevitable to link up to everything matching it Universal Laws teach us that everything in this universe is already created
done If you can think it you can experience it NO BLUFF In this book you will learn not only the fundamental science behind
matching the frequency of anything you want but also how to reignite the vision of what you truly want in life so that you can
