## **Reinvention Of Primitive Society Transformation Of A Myth:**

**The Reinvention of Primitive Society** Adam Kuper, 2017-02-17 Adam Kuper's iconoclastic intellectual history argues that the idea of primitive society is a western myth. The primitive is imagined as the opposite of the civilised. But this is a protean myth. As ideas about civilisation change, so the image of primitive society must be adjusted. By way of fascinating account of classic texts in anthropology, ancient history and law, Kuper reveals how this myth underpinned academic research and inspired political programmes. Its ancestry is traced back to classical western beliefs about barbarians and savages, and Kuper also tackles the latest version of the myth, the idea of a global identity of indigenous peoples. *The Reinvention of Primitive Society* is a key text in the history of anthropology and will interest anyone who has puzzled about the very idea of primitive society and so by implication about civilisation.

**Primitive Thinking** Nicola Gess, 2022-09-06 This book examines the discourse on primitive thinking in early twentieth century Germany. It explores texts from the social sciences, writings on art and language, and most centrally literary works by Robert Musil, Walter Benjamin, Gottfried Benn, and Robert Müller, focusing on three figurations of alterity prominent in European primitivism: indigenous cultures, children, and the mentally ill.

*Our Common Denominator* Christoph Antweiler, 2016-04-01 Since the politicization of anthropology in the 1970s, most anthropologists have been reluctant to approach the topic of universals—that is, phenomena that occur regularly in all known human societies. In this volume, Christoph Antweiler reasserts the importance of these cross-cultural commonalities for anthropological research and for life and co-existence beyond the academy. The question presented here is how anthropology can help us approach humanity in its entirety, understanding the world less as a globe with an emphasis on differences but as a planet from a vantage point open to commonalities.

*T&T Clark Handbook of Anthropology and the Hebrew Bible* Emanuel Pfoh, 2022-12-15 This handbook presents an overview of the main approaches from social and cultural anthropology to the Hebrew Bible. Since the late 19th century, biblical scholarship has addressed issues and themes related to biblical stories from a perspective which could now be considered socio-anthropological. It is however only since the 1960s that biblical scholars have started to produce readings and incorporate analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data contained in the biblical sources. The handbook is arranged into two main thematic parts. Part 1 assesses the place of the Bible in social anthropology, examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine, and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories. Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible. These include kinship and social organisation, death, cultural and collective memory, and ritualism. Contributors also examine how the biblical stories reveal dynamics of power and authority, gender, and honour and shame, and how socio-anthropological approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts. Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology, this

ethnographic introduction prompts new questions into our understanding of anthropology and the Bible **Who are 'We'?** Liana Chua, Nayanika Mathur, 2018-06-13 Who do we anthropologists think we are And how do forms and notions of collective disciplinary identity shape the way we think write and do anthropology This volume explores how the anthropological we has been construed transformed and deployed across history and the global anthropological landscape Drawing together both reflections and ethnographic case studies it interrogates the critical yet poorly studied roles played by myriad anthropological we as in generating and influencing anthropological theory method and analysis In the process new spaces are opened for reimagining who we are and what we and indeed anthropology could become **Mediterranean Families in Antiquity** Sabine R. Huebner, Geoffrey Nathan, 2016-08-17 This comprehensive study of families in the Mediterranean world spans the Bronze Age through Late Antiquity and looks at families and households in various ancient societies inhabiting the regions around the Mediterranean Sea in an attempt to break down artificial boundaries between academic disciplines Southern Anthropology - a History of Fison and Howitt's Kamilaroi and Kurnai Helen Gardner, Patrick McConvell, 2015-09-01 Southern Anthropology the history of Fison and Howitt's Kamilaroi and Kurnai is the biography of Kamilaroi and Kurnai 1880 written from both a historical and anthropological perspective Southern Anthropology investigates the authors work on Aboriginal and Pacific people and the reception of their book in metropolitan centres *Human Nature and Social Life* Jon Henrik Ziegler Remme, Kenneth Sillander, 2017-06-15 What distinguishes humans from nonhuman others And how do these distinctions shape human sociality and the ways that humans relate to their others Human Nature and Social Life brings together a collection of articles by prominent anthropologists to address these questions The articles show how the fundamentally social nature of humans results in an extension of sociality to virtual semiotic material and nonhuman spheres with humans therefore becoming part of extended socialities However as the book's contributors demonstrate human distinctness significantly bears upon these extended socialities and the manner in which humans partake in them Taking an ethnographic approach to its subject this book demonstrates the continued value of studying the specificities of the human condition and sets itself as a counterweight to current refutations of human exceptionalism **The Many Faces of Socioeconomic Change** J. F. J. Toye, 2017 Development is not a purely economic phenomenon it also has a strong sociological element This book surveys narratives of how development occurs starting with early evolutionary models and moving on to recent types of development theory outlining the main long term changes in how socioeconomic development has been envisaged through time **A Mission Divided** Dr Kirstie Close-Barry, 2015-12-02 This book provides insight into the long process of decolonisation within the Methodist Overseas Missions of Australasia a colonial institution that operated in the British colony of Fiji The mission was a site of work for Europeans Fijians and Indo Fijians but each community operated separately as the mission was divided along ethnic lines in 1901 This book outlines the colonial concepts of race and culture as well as antagonism over land and labour that were used to justify this separation Recounting

the stories told by the mission's leadership including missionaries and ministers to its grassroots membership this book draws on archival and ethnographic research to reveal the emergence of ethno-nationalisms in Fiji the legacies of which are still being managed in the post-colonial state today Analysing in part the story of her own ancestors Kirstie Barry develops a fascinating account of the relationship between Christian proselytization and Pacific nationalism showing how missionaries reinforced racial divisions between Fijian and Indo Fijian even as they deplored them Negotiating the intersections between evangelisation anthropology and colonial governance this is a book with resonance well beyond its Fijian setting Professor Alan Lester University of Sussex This thoroughly researched and finely crafted book unwraps and finely illustrates the interwoven layers of evolving complexity in different interpretations of ideals and debates on race culture colonialism and independence that informed the way the Methodist Mission was run in Fiji It describes the human personalities and practicalities interconnected at local regional and global levels which influenced the shaping of the Mission and the independent Methodist Church in Fiji It documents the influence of evolving anthropological theories and ecumenical theological understandings of culture on mission practice The book's rich sources enhance our understanding of the complex history of ethnic relations in Fiji helping to explain why ethnic divisive thinking remains a challenge Jacqueline Ryle University of the South Pacific A beautifully researched study of the transnational impact of South Asian bodies on nationalisms and church devolution in Fiji and an important resource for empire studies as a whole Professor Jane Samson University of Alberta Canada

**India in the Eyes of Europeans** Martin Fákrek, 2021-12-01 This book is centered around the claim that although the research in Oriental and religious studies seemingly presents unbiased objective interpretations of Indian traditions it really puts forward distorted images which primarily reflect the researchers own European culture A thorough examination demonstrates to what extent Oriental studies as well as other humanities are still influenced by theological preconceptions English edition

The 1920s Tamás Bényei, Shene Boskani, Nick Hubble, 2025-07-24 The particularity of 1920s British fiction has become obscured by an academic focus on modernism This book takes a fresh approach to the decade by examining both canonical writers such as Virginia Woolf and E M Forster as well as less widely studied writers such as A A Milne and Naomi Mitchison From the aftermath of First World War to the Great Depression of 1929 and its political consequences the 1920s were a decade marked by radical social change Internationally there was an ongoing shift of global power and nationally Britain was adjusting to the aftermath of First World War to no longer being the dominant imperial power in the world and to the introduction of universal male suffrage and votes for women over thirty which was extended to those over twenty one in 1928 This volume relates the British fiction of the decade to these contexts in order to reassess and explain trends of the period such as war books fantastic romance literary modernism and new expressions of gender and sexuality A major critical re-evaluation of the decade the book covers such writers as Agatha Christie E M Forster Ethel Mannin Somerset Maugham R H Mottram D H Lawrence Wyndham Lewis A A Milne Hope

Mirrlees Naomi Mitchison Dorothy Richardson and Virginia Woolf among others illustrating how their key themes and concerns fit within the social and political circumstances of the decade **American Religious Liberalism** Leigh E.

Schmidt, Sally M. Promey, 2018-11-01 An enlightening look at the surprising connections between spirituality and progressive thought in the United States Religious liberalism in America is often associated with an ecumenical Protestant establishment This book however draws attention to the broad diversity of liberal cultures that shapes America's religious movements The essays gathered here push beyond familiar tropes and boundaries to interrogate religious liberalism's dense cultural leanings by looking at spirituality in the arts the politics and piety of religious cosmopolitanism and the interaction between liberal religion and liberal secularism Readers will find a kaleidoscopic view of many of the progressive strands of America's religious past and present in this richly provocative volume **The Routledge Companion to Contemporary**
