Worldviews and Christian Education W. Shipton, E. Coetzee & R. Takeuchi, 2014-04 In Worldviews and Christian Education editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse and animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism Back Cover *Rekindling the Flame* Samuel Osherson, 2002 Many Jewish men and women are creating a vibrant enriched Judaism for our contemporary world and here psychologist and bestselling author Samuel Osherson shines a light on those who are broadening the practice of this fulfilling religion This book shows you how people are creating new rituals and observing the holidays at home increasing their openness to other religions learning to study both with and without rabbis moving away from an emphasis on authoritarian figures and inspired by their faith engaging in creative work and charitable action Beginning a new chapter in the long story of the survival of the Jewish people this is a handbook for those yearning to redefine their relationship with Judaism and seeking to rebuild the bridges between their religious and cultural heritage **The Pedagogical Seminary**, 1913 Vols 5 15 include Bibliography of child study by Louis N Wilson **Southern Baptist Missionary Journal**, 1846 **Leisure**

Resurrected Jeffrey Paul Crittenden, 2023-04-10 As the church emerges from the impact of COVID how will it reimagine its mission With all the disruption COVID caused comes an opportunity for congregations How will the local church organize itself engage with the neighborhood and world and offer pastoral care to a planet dealing with the significant issues heightened during COVID Returning to old patterns of behavior is a wasted chance A theological opportunity for the church lies in rediscovering the classical aim of leisure The early church during the first two centuries offers us an understanding of leisure quite unique from the dominant expressions of leisure such as Greek scholē Roman otium and the Jewish Sabbath By exploring early Christian practices we can find insights about leisure for mission today These practices include setting aside a single day of the week to worship sharing in a common meal open to all and following the meal incorporating into nonwork time care and engagement in the health and vitality of the community in the name of Jesus Christ The followers of Jesus were consistent if extraordinary in meeting weekly on the Lord's Day to worship eat together and go out into the neighborhood to live out their faith [The Church of England Sunday School Quarterly Magazine](#), 1849 **Gospel Tidings**, 1991 [1 & 2 Timothy](#), Titus Paul M. Zehr, 2010-12-20 In this twenty second volume of the Believers Church Bible Commentary series

author Paul M Zehr explores Paul's instructions to Timothy and Titus in light of recent scholarship applying Christian theology and ethics to the political philosophical religious and cultural issues that early Christians faced as the church reached out in mission in Ephesus and on the island of Crete. Additionally Zehr also shows how the themes in 1 sets the theological themes in their wider biblical contexts and surveys the history of the interpretation and influence of the letters particularly in the Anabaptist Mennonite tradition. I warmly commend this attractive presentation which should greatly encourage and assist exposition of these fascinating letters. I Howard Marshall University of Aberdeen Scotland. This commentary by Paul Zehr provides helpful guidance to interpret important but difficult passages in a contemporary Anabaptist manner. Zehr is alert to current ecumenical and evangelical scholarship on the pastorals to the historical and cultural contexts reflected in these books to the difficult issues of authorship and to the energy of these letters for the well being of healthy church leadership. John A Esau former Mennonite pastor and denominational administrator. With careful scholarship and a Christ centered hermeneutic Paul Zehr has given to the church an insightful guide in understanding the pastoral epistles. He seeks to work carefully with the cultural background of these scriptures their context in the larger Scripture and in applications to our setting. He does not back away from engaging the difficult issues that have divided groups but calls us to follow Paul's example of contextualizing applications. Myron S Augsburger President Professor Emeritus of Eastern Mennonite University. Dr Zehr's commentary brings the most accessible scholarship knowledge of the first century cultural historical settings and a keen interest in the meaning of the text for today's church into a most engaging combination for pastors and church leaders alike. Their task in making the biblical text relevant in the twenty first century is greatly helped by this volume in the Believers Church Bible Commentary Series. Philip H Towner Dean The Nida Institute for Biblical Scholarship American Bible Society.

A Peculiar Prophet Michael A. Turner, 2010-09-01. There is no more trusted mentor of preachers in North American Christianity today than William H Willimon. The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other. Turner and Malambri make Willimon's role as a mentor to preachers more available than ever. Both former students of Willimon's they provide detailed and practical tools for learning from this peculiar prophet. They offer samples of Willimon's sermons and commentary on them by other leading preachers and homilists such as Tom Long and Peter Gomes. The point of this examination of Willimon's work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit. Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself.

THE SUNDAY AT HOME, 1879 *To Be Like Jesus* Daniel Mathano Mwailu

PhD,2019-11-22 In his classic novel *The Pilgrim's Progress* John Bunyan wrote allegory of the progress of the Christian Pilgrimage from the City of Destruction this world to the Celestial City the world to come Written in 1678 and now translated into over 200 languages its message is still significant and relevant for Christians today As an allegory it pictures the struggles and challenges that confront Christians at all times This book relates the true story of a Christian journey that started over fifty years ago in Africa but extended to Europe England and America It is interspersed with personal stories encounters and reminiscences that point to the struggles hurdles and hindrances faced by Christians today in their journey anywhere in the world It suggests spiritual vitamins essential for spiritual stamina in the Christian journey in spiritual formation The book evaluates the vital characteristics of spiritual formation and suggests from a biblical and theological perspective the disciplines necessary for its development It affirms its validity with reference to the way in which class meetings played a major role in the Wesleyan tradition of spiritual formation It recommends that exploring modern forms of class meetings would address current church decline

The American University in a Postsecular Age Douglas Jacobsen, Rhonda Jacobsen, 2008-02-27 For much of the twentieth century it was assumed that higher education was and ought to be a secular enterprise but that approach no longer suffices The culture has shifted and contemporary college and university students are increasingly bringing religious and spiritual questions to campus In response college and university leaders are exploring anew the relationship between religion and higher education *The American University in a Postsecular Age* grapples with key questions How religious or irreligious are faculty and students today What level of religious literacy should be expected from students Can religion be allowed into the classroom without being disruptive Should colleges and universities help students reflect on their own faith Is religion antithetical to critical inquiry Can religion have a positive role to play in higher education This is a state of the art introduction to the national discussion about religion and higher education Leading scholars and top educators express a wide spectrum of opinions that reflect the best current thinking Introductory and concluding essays by the editors describe the postsecular character of our age and propose a comprehensive framework intended to facilitate ongoing conversation
