things and how you use them either maintains their meaning or belittles it and destroys its total value. Such is the word awesome. When our youth use the word awesome for cars, Androids, or even their girlfriend, they are belittling the word's characterization. The word awesome should only be used for the greatness of the Lord God or His works for mankind. It can be used for something that is greater than itself and stands out above all others. This book cover represents the awesomeness of God and His creation. As the Scripture declares, the universe fits between the span of God's hand. This is awesome, and it is unfathomable in man's contemplating of it. If this is awesome, how can you compare anything to it? Our universe is billions of light years across, and we have no knowledge as to its size for we have nothing to compare it to. However, what does this say about the awesomeness of God? God does not have hands or legs but uses them as idioms for our comprehension. Even with idioms, it is incomprehensible to realize just how awesome God really is. Scripture speaks of God as omniscient, all-knowing, omnipotent, all-powerful, and omnipresent everywhere, and with this in mind, He is wisdom and is sovereign ruler over all His creation. He is maintaining everything by His character and for His glory, and His ways are above our ways, and His thoughts are above our thoughts.

Abundant Living E. Stanley Jones, 2014-10-21 The business of life is to live and to live well. But in this day and age, we know almost everything about life except how to live it. We can dissect life and explain its parts and then fail to put it together again in such a way that it becomes a coordinated, harmonious whole. Through the vibrant writings of E. Stanley Jones, discover not only how God desires more for us than we could ever think or imagine but freely gives us that abundant life of body, mind, and spirit. *Abundant Living*, the sequel to *Victorious Living*, continues the journey toward extraordinary life through trusting God and self-surrender. Written in 1942 by one of the greatest Christian leaders of the day, experience this classic devotional with a new foreword by Leonard Sweet.

Back to the Garden Patrice Dickey, 2006-05 Dickey shares riveting stories of real people who have used the simple secrets she teaches to free themselves from shadow issues and self-defeating behaviors. Readers will learn how dreams, intuition, hypnotherapy, and other tools access the subconscious and lead people back to their true selves.

Believe!! Carlene T. Glasgow, 2017-07-14 There is an atmosphere that has consumed the hearts, souls, and joy of some women due to the stress of everyday lives. It is so sad to view the burden, hurts, and walking time bomb waiting to explode just by a prick of a mean word. This book positions its arm around women who have the desire to make an impact in society but just need that inspiration, empowerment, spiritual fulfillment, encouragement, and confidence that nothing is impossible with God. It challenges women and encourages them to discover their strength, gift, talent, and hidden ability. It tickles women's minds, reminding them they can be a voice in society, not an echo. Provoking the brain of their uniqueness and the assurance that they are beautiful, excellent queens who have not yet completed their assignment. Allowing their fragrance of kindness and love to pave the way for the younger generation coming afterwards. God is a restorer who can establish the works of your anointed hands along with your voices that leaves a legacy well sown into lives while imparting wisdom to great minds. Take a minute, women, and *selah* pause; you will definitely prove
