**Bloodlust** Jody R. LaGreca, Michael McCarty, 2013-05-01 Psychic vampire Daniel Peck lives on with vengeance and movie star madness in this sequel to BLOODLESS by Michael McCarty Bram Stoker finalist and Jody R LaGreca Witness the illicit saga which leads to Marilyn Monroe s untimely demise and more in this twisted tale of glamour and seduction Beware of kisses in the dark and the echo of eternity which bears the curse of Daniel Uncover the mystery of The Stardust Inn and the love triangle between Daniel hotel proprietor Annie Julliard and her sister Vicki while the Omni powerful Veronica who has Daniel beneath her spell has her own agenda Meanwhile FBI agent Ronald Barrett has been chasing Daniel down for over three decades for slaughtering his mother Not your cookie cutter vampire tale BLOODLUST is infused with horror history and romantic suspense It will illuminate your senses and take you to uncharted worlds beyond the imagination I found it a diabolical touch that Michael McCarty and Co author Jody LaGreca in their new book Bloodlust introduced legendary Marilyn Monroe into the tapestry of their horror novel From the moment Monroe enters the early scenes of this strangely compelling novel to the final seconds when we find ourselves following the quiet movements of a black cat named Midnight I predict you will be unable to put down Bloodlust That s right until you see it through to its very end In a strange and mysterious way I have found my appetite increasing for their brilliant entree into vampires The Amazing Kreskin Worlds Foremost Mentalist Michael McCarty and Jody LaGreca are masters at blending the macabre with the ordinary the monster with the everyman with their vampire novel Bloodless They can make a horrific killer seem quite affable a dinner of barbecued human parts palatable and a slit throat in lovemaking exquisitely erotic McCarty and LaGreca write with inexplicably gruesome charm evident in Bloodless Patricia J Espoito author of the vampire novel Beside The Darker Shore Authors Michael McCarty and Jody R LaGreca have created a lovable rogue in their character Daniel Peck whose life is just about perfect until his former lover Veronica shows up Bloodless is a well written fun read for horror and vampire fans everywhere Joan Mauch author of Halifax     *Stay* Ian Newbegin, 2013-03-19 In a nutshell Mind travel is a reality Beings from all over the universe work together as operatives for the Inter Galactic Council to maintain peace However components of the original mind transfer device which could also alter the mind permanently have been found The council fears that a crucial component containing the circuitry for the device has been seen on the planet Tishog and if it falls into the wrong hands mind control would be a possibility making it possible to change the course of history in favour of those in control of the device The council therefore must retrieve it first to ensure universal safety Frank Melton a reluctant operative from Earth teams up with other operatives to retrieve the missing piece Opening Bankrupt and remorseful Frank Melton tries to get his life together two years after losing his job He decides to practice meditation to help him to relax and to guide his thoughts during the healing period During this time he has unexpected and unexplainable visions which unnerve him at first but after a series of tests he comes to realize that the visions were indeed due to his mind being transferred to a host body on the planet Trellin He is forced to

keep his involvement secret since leaders on Earth were not aware of such advanced technology and it was thought by the council that such knowledge held by a developing planet may cause chaos If he disclosed his involvement to anyone his memory would be wiped of all participation Closing A sample of a drug that can render an operative comatose is retrieved by an all Earth team of operatives An operative known by Frank only as Tolok approaches Frank for support should he need it when they return to earth The mission is successful and Frank is asked by Howard and an elder from Trellin to save the incarcerated Tolok since he had been without food for three days kept alive only by his controller which was losing energy However Frank is not told the circumstances behind Tolok s internment Frank struggles with the non committal manner exercised by Howard and the elder and begins to doubt whether he wants to continue to participate with the program Saving Tolok adds fuel to his thoughts since Tolok proved to be a serial rapist and child molester The three books on one page Book one Summarized above Book two Frank is still considering whether or not he wants to continue with the operative program when Howard an intelligent robot asks Frank to help save a fellow operative and friend Tim who had been rendered comatose on the planet Tishog As a consequence to Franks gallant action he and Tim pair up for future operations which continue to be involved with finding the missing components of the mind control device though this time they are up against more sophisticated and advanced communities Frank also suspects that a friend Gabrielle is also an operative but for who Could she be working with the rival group Deltrum and enemy of the Intergalactic Council Frank and Tim also become suspicious of the elders of Trellin suspecting that they want the device for their own gain but proof thus far has eluded them Frank once again takes time away from the program to reconsider his involvement Book three Frank develops a virus which effectively prevents his controller from reporting erroneous thoughts to the elders He gains the trust of Gabrielle and with Tim the three operatives foil a plot by the elders on Trellin to alter the minds of earth leaders including the military and to take control of the planet since Trellins resources are depleted
