The Relevance of Apocalyptic Harold H. Rowley, 1952 Jewish Apocalypticism in Late First Century Israel Matthias Henze, 2011 The Syriac Apocalypse of Baruch or Second Baruch is a Jewish work of the late first century C E written in Israel in the aftermath of the Jewish War against Rome It is part of a larger body of post 70 C E Jewish literature The authors of these works had a difficult charge They needed to re imagine Judaism and its central symbols take count of a thriving Diaspora and articulate how Jewish life was to be lived from then on without the benefit of a temple Written at a time of religious reconstruction and mental reorientation Second Baruch occupies a unique place in the history of early Jewish thought In this highly original work the author of Second Baruch developed an apocalyptic program that was intended for post 70 C E Judaism at large and not for a small dissident community only The program incorporates various theological strands chief among them the Deuteronomic promise of a prosperous and long life for those keeping the Torah and the apocalyptic promise of a new heaven and a new earth In this book Matthias Henze offers a close reading of some of the central passages in Second Baruch exposes its main themes explains the apocalyptic program it advocates draws some parallels with other texts Jewish and Christian and locates Second Baruch s intellectual place in the rugged terrain of post 70 C E Jewish literature and thought For modern readers interested in Judaism of the late Second Temple period in the Jewish world from which early Christianity emerged and in the origins of rabbinic Judaism Second Baruch is an invaluable source

The Subversion of the Apocalypses in the Book of Jubilees Todd R. Hanneken, 2012-06-03 In spite of some scholars inclination to include the book of Jubilees as another witness to Enochic Judaism the relationship of Jubilees to the apocalyptic writings and events surrounding the Maccabean revolt has never been adequately clarified This book builds on scholarship on genre to establish a clear pattern among the ways Jubilees resembles and differs from other apocalypses Jubilees matches the apocalypses of its day in overall structure and literary morphology Jubilees also uses the literary genre to raise the issues typical of the apocalypses including revelation angels and demons judgment and eschatology but rejects what the apocalypses typically say about those issues subverting reader expectations with a corrected view In addition to the

main argument concerning Jubilees this volume's survey of what is fundamentally apocalyptic about apocalyptic literature advances the understanding of early Jewish apocalyptic literature and in turn of later apocalypses and comparable perspectives including those of Paul and the Qumran sectarians

Eschatological Relationships and Jesus in Ben F. Meyer, N. T. Wright, and Progressive Dispensationalism Richard Fountain, 2016-07-29

Modern scholars have varied responses to apocalyptic narrative in the Synoptic Gospels Some ignore it others reinterpret it and don't think that Jesus' warning about persecution works in this setting In order to understand apocalyptic in the New Testament we need to understand Jewish apocalyptic and its similarities and differences with Jesus We need to know the key themes and where those themes develop in the Synoptic Gospels

Eschatological Relationships and Jesus begins by exploring the components of prophetic and apocalyptic eschatology figurative language history sequence and juxtaposition of ideas and then develops some of the major theological themes in Meyer Wright and Progressive Dispensationalism from the Synoptic Gospels As readers work through Eschatological Relationships and Jesus they begin to see and interpret the various patterns and themes in the eschatological discourses

The Relevance of Apocalyptic Olivier Rousseau, 1963

The People of God in the Apocalypse Stephen Pattemore, 2004-06-17

Stephen Pattemore examines passages within Revelation 4:1-22:21 that depict the people of God as actors in the apocalyptic drama and infers what impact these passages would have had on the self-understanding and behaviour of the original audience of the work He uses Relevance Theory a development in the linguistic field of pragmatics to help understand the text against the background of allusion to other texts Three important images are traced The picture of the souls under the altar 6:9-11 is found to govern much of the direction of the text with its call to faithful witness and willingness for martyrdom Even the militant image of a messianic army 7:1-8:14:1-5 urges the audience in precisely the same direction Both images combine in the final image of the bride the culmination of challenge and hope traced briefly in the New Jerusalem visions

Christology From Within and Ahead Mark Chan, 2021-10-01 Troeltsch's struggle with historicism sets the stage for a proposal that Christology be done from within and from ahead Gadamer's philosophical hermeneutics and Schleiermacher's experiential theology inform a Christology from within that is rooted in tradition and experience while Pannenberg's notion of proleptic eschatological fulfilment serves as resource for a Christology from ahead This volume develops a hermeneutical Christology that takes into account the historical contingency of knowledge and seeks a Christology beyond the objectivism of timeless truth and the relativism of absolutised contextuality The book is concluded with an examination of the convergence of critical traditionality experiential appropriation and eschatological prolepsis in the Christology of the apostle Paul The author explores how Christology might respond to the scandal of universality in postmodernity without defaulting on its claim to transcontextual referentiality Patristic Evidence for Jewish-Christian Sects Albertus Frederik Johannes Klijn, G.
