Relief from Grief James E. Price, 2003-12-09 If you're still hurting over a job you lost last year or a long ago divorce or the 1999 death of someone you held near and dear you can surely benefit from James E Price's book *Relief From Grief* Price has a lot to say about such losses In a nutshell the Word of God will help you rise above any hurt from losses you might have experienced We've all seen family members and friends fall apart after the death of a loved one or a partner pine away over a marriage that dissolved These are forms of grief that a solid relationship with God could have and would have easily lessened While Price doesn't downplay the effects of such potentially devastating occurrences he doesn't get sentimental over them either They are real and the pain is real but he sees grief as a little like the rain that falls into everyone's life We all eventually lose someone or something dear or maybe struggle with a business only to see it fold up like a tent in the wind or we lose a home to fire or foreclosure or experience something else equally tragic How we handle these catastrophes makes all the difference in the world
