Rose, a Color of Darkness Amon Liner,1980      **The ISCC-NBS Method of Designating Colors and a Dictionary of Color Names** Kenneth L. Kelly,1955      Death with a Dark Red Rose Julia Buckley,2020-02-25

Writer s apprentice Lena London is enjoying life in Blue Lake and being newly engaged but is soon drawn into the terrifying disappearance of one of her closest friends Lena is starting to feel like having it all may actually be possible She and suspense novelist Camilla Graham are busily plotting their next novel and she s got a brand new diamond ring on her finger thanks to her fianc Sam West The only blot on her Blue Lake life is a strange new corporation that has come to town called Plastisource They seem to be intent on gobbling up prime real estate and changing the landscape of Lena s lovely adopted home When she and Sam get a call from their good friend and Blue Lake detective Doug saying that his girlfriend and Lena s pal Belinda isn t answering her phone and missed a date with him they all head out to her home The trio is shocked to discover that Belinda s purse and phone are at her house along with a single red rose on her countertop but Belinda herself is missing Has she been abducted Could the strange new corporation play a role in her disappearance Lena is determined to find out and rescue her friend because she knows that the truth can be stranger and much more deadly than fiction      *A Dark Rose* Sally Wolff,2015-01-05

From the heartbroken protagonist she depicted in her first published story *Death of a Traveling Salesman* to the reflective widow she described in her last novel *The Optimist s Daughter* Eudora Welty wrote realistically about the shadows and radiance of love In a meticulous exploration of this theme Sally Wolff combines new readings of Welty s fiction with contextual information and background drawn from a nineteen year friendship with Welty A common image in much of Welty s fiction the rose has traditionally symbolized love in literature Wolff argues that the dark rose from the height of its brilliance to the end of its life serves as an apt metaphor for the dichotomies Welty presents equally suggestive of beauty and sadness as well as the comic tragic and mysterious qualities of love While some of Welty s characters seem autobiographical a daughter remembering her parents marriage or a broodingly hopeful member of a large family wedding at times Welty analyzes from a distance the dynamics of successful and troubled loving relationships Although Welty experienced love several times during her life she never married and Wolff argues that this vantage point allowed Welty to write from an objective perspective in her fiction about the varied dimensions of love *A Dark Rose* explores several texts to examine Welty s nuanced and intricate portrayals of love Though love in Welty s fiction fails wears thin and even faces death it remains a vital force in her characters lives      *The ISCC-NBS Method of Designating Colors and a Dictionary of Color Names* United States.
