Rough And Ready:

Anderson Co, KY ,1991 From the foreword This Family History of Anderson County preserves the proud heritage of our county and communities as well as many of our churches businesses organizations and families Our intent is to record a picture of the people organizations and activities for future generations *A Millionaire of Rough-and-Ready* Bret Harte,1888 *Bean's History and Directory of Nevada County, California* ,1867 Gold Rush Towns of Nevada County Maria E. Brower,2006 Nevada County is webbed with some of the richest veins of goldbearing quartz in the world First discovered in 1849 as placer gold washed into creek beds hydraulic miners later used massive jets of water to melt mountains and free the precious metal Rich lodegold districts such as Grass Valley and Nevada City were the most productive in California and innovations such as hydraulic mining began here and spread throughout the nation Whimsical names like You Bet Red Dog Rough and Ready French Corral and Blue Tent hint at the colorful beginnings of dozens of camps that grew from wild and chaotic tent towns to bustling young communities complete with schools churches and businesses Boomtowns North San Juan North Bloomfield and Columbia propelled Nevada County to the head of the state s economy by 1900 and hundreds of miles of gold bearing quartz veins continued to be tapped in underground tunnels for another 50 years or more Ghost Towns of Northern California Susan Drew, Philip Varney, John Drew, A travel guide to northern California s 50 deserted mining towns plus the ghost prison of Alcatraz and a couple of Chinese fishing villages in the San Francisco Bay area **Presidential Sheet Music** Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books periodicals letters diaries and speeches One source of printed material that has not received much scholarly attention is published music much of which has been all but lost in the archives of libraries and museums These two volumes of Presidential Sheet Music present an exhaustive listing of presidential related music in all printed forms with information on each piece **A New and Complete Gazetteer of the United States** Thomas Baldwin,Joseph Thomas,1854 **The Ditches of Nevada City** Dom Lindars,2023-04-07 This book tells the history of Nevada City California through the eyes of the men that built it For its first 100 years everything in Nevada City revolved around gold But this is not another book about finding gold To get gold you needed water to pan for it to wash it in a sluice to blast away a hillside with an immense water cannon or to turn the water wheel of a quartz ore stamp mill This book instead asks How did they get the water It reveals the engineering marvels that brought water to Nevada City s dry hills from tens of miles away But what if all the water in every ravine creek and valley around Nevada City was controlled by just three men Well for three decades every miner farmer or business could only buy water from the powerful South Yuba Canal Company What would happen if you got into an argument with them Or couldn t afford to pay their water bill Or even dared to compete with them The book traces the ingenuity and hard work of the town s miners and ditch builders highlighting in detail the history and origins of various local neighborhoods including Nevada City itself Hirschman s Pond

Sugar Loaf Mountain Deer Creek Scotts Flat Manzanita Diggings Gold Flat and various mining camps along Washington Ridge This vivid portrayal follows the area s evolution from the chaos of thousands of miners scratching out a living in clusters of muddy tents to a genteel town with hotels stores banks theaters and libraries What began as a search to uncover a sprawling network of old ditches turned into a collection of never before told stories of the gold miners the ruthless and greedy ditch company and the rivals that it crushed The domineering ditch company later enabled the next generation of monopoly to provide electrical power The story of PG E also started in Nevada City This in turn led to the now more forward looking stewardship of the Nevada Irrigation District The unique format of this book blends beautiful archival images with more than 35 in depth biographies of key figures in Nevada City This 884 page hardcover book includes over 600 photos and illustrations including 200 historic photographs and 75 hand crafted maps based on modern lidar technology that reveal the locations of the old mining ditches flumes mines and tunnels **Siskiyou National Forest (N.F.), Land and Resource(s)**
