Susanna Moodie

Roughing It In The Bush Or Life In Canada:

Roughing it in the Bush, Or, Life in Canada Susanna Moodie, 1852 **Roughing It in the Bush; Or, Life in Canada.** by Susanna Moodie, 2016-10-06

Roughing It in the Bush Full title **Roughing It in The Bush or Forest Life in Canada** is an account of life as a Canadian settler by Susanna Moodie. Moodie immigrated to Upper Canada soon to become Canada West near modern day Peterborough Ontario during the 1830s. At the suggestion of her editor she wrote a guide to settler life for British subjects considering coming to Canada. **Roughing It in the Bush** was first published in London in 1852 then Toronto in 1871. It was Moodie's most successful literary work. The work is part memoir, part novelization of her experiences and is structured as a chronological series of sketches. Publisher Richard Bentley's foreword to the third edition published in London in 1854 describes the Canadian mania that pervaded the middle ranks of British society in the 1830s. Immigrants paid a hefty fee to ship's agents who took them across the Atlantic and these agents did their best to drum up business by marketing Canada as a British emigrant's utopia. Canada became the great land mark for the rich in hope and poor in purse. Public newspapers and private letters teemed with the unheard of advantages to be derived from a settlement in this highly favoured region.

Roughing it in the Bush Or Life in Canada Susanna Moodie, 1988. Probably Canada's best known settlement story, this autobiographical account of frontier conditions in the 1830s is a compelling narrative that emphasizes both the tragedies and the triumphs of a sensible and sensitive woman and her family as they come to terms with their new environment.

Roughing It in the Bush, Or, Life in Canada Susanna Moodie, 2015-08-11. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Roughing it in the Bush, Or, Life in Canada Susanna Moodie, 1988. Susanna Moodie 1803-1885 is the author of the best known narrative of Canadian pioneer settlement life, **Roughing It in the Bush**. The story of her family's struggles to establish themselves in an environment they found to be strange, enchanting, hostile, and amusing. **Roughing It** is a highly detailed portrait of frontier conditions in Upper Canada in the 1830s. This new edition of Susanna's most important work offers for the first time the complete version that she intended for the public to read in 1852, including a chapter that has until now been omitted from the back cover.
