Roxanna Slade:

Roxanna Slade Reynolds Price, 1998 Price weaves a beguiling tale of the modern South and of a woman whose inner strengths feed a piercingly clear vision forth right hungers and immense vitality **Letter to a Godchild** Reynolds Price, 2011-03-22 In the year 2000 acclaimed author Reynolds Price became honorary godfather to Harper Peck Voll As a christening gift Price composed a letter to the child one intended as a brief guide for Harper's spiritual future The letter sketched the crucial roles which faith had played in Price's own life and whittled down those lessons the author felt were most valuable Later Price realized that in a rapidly complicating world his thoughts might also be useful for other children and their parents Here then is an expanded version of the original letter an eloquent thoughtful and inspiring look at faith from one of the most revered American writers and most respected students of religion In *Letter to a Godchild* Price recounts how his life has been shaped by numerous and varied spiritual influences from the Bible story books his parents bought him before he could read to the childhood days spent exploring dense woods near his home woods where he searched for arrowheads and spied on numerous wild animals to Sundays at church with his father and mother his travels around the world to magisterial structures as various as St Peter's and the old Penn Station and years of study both in and out of the classroom With no trace of self pity he explains how his faith grew and deepened when in 1984 after a life of robust health he suffered a cancer that eventually led to paralysis of his lower body *Letter to a Godchild* includes striking pictures of the buildings objects places and events that have deepened the author's religious sensibility He has also compiled a comprehensive section on further reading looking and listening that provides suggestions for books art and music that will entertain as well as enhance this volume A profoundly intelligent and moving explication of religion and spirituality *Letter to a Godchild* is an exhilarating experience for readers of all faiths **Encyclopedia of the American Novel** Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this *A Novel Approach to Life* Coleen Grissom, 2012-08-31 As an administrator and teacher at San Antonio's Trinity University for five decades Coleen Grissom saw the rise of feminism the sexual revolution and the tragic deaths of students friends and family This varied collection assembles the best of her speeches probing these and other timely issues from drug use and freedom of speech to AIDS and racism More than the sum of its parts this book filigreed with pithy literary insights offers an astute chronicle of its times that gives readers good reasons to embrace literature and life *Feasting the Heart* Reynolds Price, 2001-11-07 Ranging from his experiences as a writer to topics of faith and racial intolerance Reynolds Price's stories from National Public Radio's *All Things Considered* showcase the author's consistent talent for lyrical prose and insightful observations and all those stories are now compiled here in *The Feasting Heart* In the fall of 1993 Alice Winkler of National Public Radio's *Morning Edition* asked Reynolds Price to write a short story for a Christmas morning broadcast This assignment would result in NPR's inviting Price to join its varied group of commentators

on All Things Considered The laws of radio require a concision that became a welcome new discipline for Price these are all the personal essays which he has broadcast since July 25 1995 Whether recounting events from his past examining the details of his current experience as a writer teacher traveler and general witness of the world Price demonstrates in his direct prose that a writer can instantly connect with his audience He discusses a few predictable topics family the poisonous mysteries of racial intolerance and faith but he also deals with new matters capital punishment Gone With the Wind his adventures while navigating an immensely inaccessible America in a wheelchair and he provides a memorable piece on childlessness Throughout Price never loses sight of the origin of either the word or the spirit of the essay the French word connotes a try an attempt and each piece here is a well formed revealing often amusing and refreshing foray into a moment unlike any we ve encountered in other forms from him We re unlikely to read more thought provoking work from a commentator for a great time to come A Great Circle Reynolds Price,2001-10-02 Here in a single volume for the first time is the trilogy of novels in which Reynolds Price traces the paths of two families the Mayfields and the Kendals through nearly two centuries of American history the oldest character is born in 1815 the youngest in 1985 Though their aims and wanderings carry some of them to distant states and as far afield as Europe both families are rooted in North Carolina and Virginia and their eventually joined lives are enhanced and deeply shadowed by the racial complexities of their world No other narrative has portrayed that entanglement nor the gifts and ravages of sexual hunger and family life more honestly and compellingly than A Great Circle The narrative energy of the trilogy arises however simply from the dozens of men women and children whose memorable contentments failures and sacrifices weave a story that is as persuasive as any human drama It is also the secret history of a nation in crisis from the becalmed aftermath of the Civil War through the Great Depression and the wars of the twentieth century to the struggles for racial and sexual equality the devastations of the AIDS plague the poised hopes of the third millennium and a great deal more In the final richness of its texture it offers the joy implicit in all steady views of the world The critic Michael Kreyling has said Trilogies produced by American novelists in the twentieth century can scarcely match A Great Circle s sweep and finesse Any reader in search of the ancient pleasures of wit and laughter tragedy and recompense and the healing surprises of pattern and harmony inherent in the broader reaches of narrative will find plentiful reward in a story which literally answers to all the meanings of the old word saga This combined edition contains a new preface by the author a family tree and an annotated list of major characters *Indianapolis Monthly* ,1998-09 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape A Pelican of the Wilderness Robert W. Griggs,2014-03-20 After serving for more than thirty years as a parish minister the author was hospitalized with major depression This is the story of his depression and recovery a recovery of health vocation and faith First Griggs regained the

experience of small pleasures Eventually he recovered the ability to choose to set limits and to accept reality He then turned to the biblical Psalms indeed his own writing echoes their candor But he also found hope in films including Breakfast at Tiffany's and Blazing Saddles To the mental health issues facing clergy and others in the helping professions Griggs brings to bear insights from research and from his own experience as a pastor and a person recovering from depression He tells his story with spirit and humor American Writers Elizabeth H. Oakes, 2004 American Writers focuses on the rich diversity of American novelists

A Long and Happy Life Reynolds Price, 1962 The troubled love story of Rosacoke Rosa Mustian and Wesley Beavers in rural North Carolina **A Singular Family** Reynolds Price, 1999-04-14 Containing three novels and a short story A Singular Family is a single volume compilation of the entire love story of Rosacoke Mustian and Wesley Beavers

Noble Norfleet Reynolds Price, 2011-03-22 Having given voice in previous novels to the extraordinary Kate Vaiden Blue Calhoun and Roxanna Slade Reynolds Price one of America's most respected men of letters adds Noble Norfleet to his gallery of compelling portraits A few days before Noble Norfleet's eighteenth birthday his family suffers a violent catastrophe The sole survivor Noble throws himself into a reckless affair with his Spanish teacher whose husband is fighting in Vietnam When Noble graduates he enlists as well and while serving as an army medic experiences a mysterious vision that seems tied to uncanny events in his recent past Not until thirty years later after a life short on friends and troubled by a compulsion to worship women's bodies is Noble challenged to rethink the decades old mystery of his family tragedy Faced with an ominous choice Noble finally comes to accept an enormous duty he's long tried to ignore Soon perhaps for the first time his future seems hopeful *A Serious Way of Wondering* Reynolds Price, 2007-11-01 When renowned novelist and poet Reynolds Price

one of Christianity's most eloquent outlaws was invited to deliver the annual Peabody Lecture at Harvard University Memorial Church in 2001 he chose to explore a subject of fierce debate and timeless relevance the ethics of Jesus In two succeeding lectures at the National Cathedral and at Auburn Seminary Price continued to explore the apparently contradictory ethics that Jesus articulates in the Gospels and in a controversial act of artistic license Price reimagined the historical Jesus In *A Serious Way of Wondering* Price expands these lectures to present Jesus with three problems of burning moral concern suicide homosexuality and the plight of women in male dominated cultures and faiths A sweeping view of the inescapable implications of Jesus merciful life and all embracing thought and of the benefits of enlarging our notions of humanity community and equality *A Serious Way of Wondering* is a significant contribution to Price's penetrating works of religious inquiry The Obits: New York Times Annual 2012 William McDonald, 2011-11-11 The obits It's the first section

many of us turn to when we open the paper not to see who died but rather to find out about who lived to discover the interesting lives of people who've made a mark A new annual that collects nearly 300 of the best of The New York Times obituaries from the previous year The Obits Annual 2012 is a compelling addictive as salted peanuts who's who of some of the most fascinating people of the twentieth century Written by top journalists each entry is a jewel a miniature nuanced
