Boundary Politics and International Boundaries of Iran Pirouz Mojtahed-Zadeh,2007 This book is about Iranian boundaries at a time when crisis of various nature are occurring around Iran especially in Iraq and Afghanistan with immediate effect on the Iranian borderlands and substantial effect of Iran s relations with her neighbours Furthermore issues like the legal regime of the Caspian Sea and the UAE claims on the Iranian owned and Iranian held islands of Tunbs and Abu Musa in the Persian Gulf create a situation in Iran s neighbourhood which influence her foreign relations and engage the country in matters of international importance Occurrence of all these issues on and around the boundaries of Iran and a thorough study of the unexplored foundation and evolution of these issues within the framework of the study of the Iranian boundaries make this book timely special original and important

Small State Security Dilemma: Kuwait after 1991 Radhika Lakshminarayanan,2019-12-31 The Arabian Gulf region is a vulnerable flashpoint Small states in this region try to leverage their core interests against big power domination This book narrates the problematique of Kuwait whose geostrategic weakness was exposed in 1990 forcing her to trade resource strength for security guarantees In recent years challenged by regional rivalries environmental impacts falling oil prices and the dangers of terrorist insurgency Kuwait faces an escalating security dilemma With the imminent disengagement of the U S from Middle Eastern entanglements should Kuwait resort to hedging partnerships with emerging multipolar giants like China Russia or India Can Kuwait survive domestic challenges of a youth bulge a huge expatriate population budgetary deficits increasing public welfare and costs of desalination What would be the main security options for Kuwait in a world that is increasingly volatile uncertain complex and ambiguous

Beyond Regionalism? Matteo Legrenzi,2016-04-15 Regional cooperation regionalism and regionalization in the Middle East are usually considered to be weak and rather ceremonial However since September 11 2001 a new regional order is emerging and the impact of geostrategic changes in the international environment has yet to be satisfactorily studied With older regional organizations suffering from weaknesses new forms appear to be developing and flourishing due either to European support or growing sub regional identities This volume offers refined theoretical models and approaches which are attuned to the new dynamics and contradictions of a wide range of regionalist projects in the contemporary Middle East Case studies of the most important regional organizations in different policy fields offer comprehensive overviews of the main actors institutions historical development and current issues

The Geopolitics of Iran Francisco José B. S. Leandro,Carlos Branco,Flavius Caba-Maria,2021-09-13 This book assesses Iran s role in contemporary geopolitics In particular it examines three main intertwining circles Iran s development and political

challenges its relationships with neighbouring countries as well as its relations with the major global powers China the European Union Russia and the United States With contributions from over 20 authors the book spans such critical aspects of contemporary geopolitics as modern history natural resources the economy the social political context and strategic thinking Particular focus is placed on Iran s relations with its neighbours Afghanistan Iraq Israel Pakistan and the Persian Gulf States Furthermore the book offers both a bilateral and multilateral dimension on how nuclear sanctions imposed on Iran have impacted its strategic planning from the economic and military perspectives

Britain and State Formation in Arabia 1962-1971 Clive Jones, 2018-12-07 Half a century ago Britain abandoned Aden its last colonial outpost in the Arab world as its attempt to establish a new polity foundered amid a rising tide of Arab nationalism tribal infighting and anti colonial sentiment that eventually gave rise to the establishment of South Yemen Yet just over three years later in 1971 a new state the United Arab Emirates emerged in Arabia formed from the old Trucial states over which Britain had long held sway At a time when state failure and fragmentation has become synonymous with much of the Middle East and where the very idea of sovereignty and legitimacy have become contested issues this comparative historical study of the varied British attempts at state creation on the Arabian peninsula offers important insights into the limits of external ambition as well as the possibilities that great power retrenchment offered to the peoples of the region The legacy of British influence in Aden and Abu Dhabi still very much resonates today this volume explains why This book was originally published as a special issue of Middle Eastern Studies

The Dynamics of Iranian Borders Mansoureh Ebrahimi, Masoumeh Rad

Goudarzi, Kamaruzaman Yusoff, 2018-06-15 This book is on Iran s geopolitical importance representing a continuum of international competition for political gains and economic benefit due to the country s unique geographical location that has always been a cause of contention Iran s massive borders and evolving political weakness along with influences from the kings of Qajar that maintained and strengthened Great Britain s hegemony in the region were major factors affecting ongoing regional conflicts Additional roles played by other world powers such as France Russia and the United States are also noted Conflicts unrest and regional wars were all consequences arising from power struggles that led to treaties and international agreements between Iran Britain and Russia that caused the eventual loss of traditional Iranian territories Hence extrinsic impositions on Iran are the subject of this study as authors examine the turbulent climate that altered Iranian borders during the Qajar Dynasty

Territoriality of Radical Islamist Groups Bohumil Doboš, Martin Riegl, Jakub Landovský, 2021-05-04 This book examines the issue of territorial control by violent jihadist groups using a comparative perspective The book argues that in many parts of the world the connection between a state and the control over territory is not as close as presented by conventional political maps and therefore it is necessary to analyse the territoriality of non state actors as well Based on a variety of case studies the work looks at different levels of connection between the violent Islamist groups and territory dividing them into non territorial semi territorial and territorial groups While the majority of the cases

are located in the Middle East Islamic State Al Qaeda Al Qaeda at the Arabian Peninsula Ha yat Tahrir al Sham Hamas and Hezbollah the book also draws cases from Africa groups in the western Sahel Al Shabaab and Boko Haram South Asia Taliban and East Asia Abu Sayyaf By providing in depth understanding of their respective approaches to territory the book identifies the specifics of each group s territoriality while also drawing more general conclusions This book will be of much interest to students of terrorism and political violence radical Islam Middle Eastern studies and International Relations in general
