travels He became their accidental student and after years of sharing those lessons through TV shows college tours books and in the media he realized that he had also become an accidental teacher His experiences are more than a collection of stories they have become a way of life the Way of the Traveler So what is the Way of the Traveler It s a roadmap to living your best life loving with all your heart and exploring the world both the great and adventurous one waiting outside your door and the even greater more adventurous one waiting within your soul Weaving together Leon s hilarious and heartwarming stories of his misadventures on the road with simple but profound exercises to help you uncover your true path Live Love Explore will teach you how to live fully and without regrets It s not to say that everyone who reads it will have to go to the ends of the world Because you don t have to go to Mongolia to discover the truths that lie inside No those life lessons can just as easily be learned from the people all around you the chap serving you coffee at Starbucks the woman sitting next to you on a plane your co workers family and friends There s an entire world of people willing to teach you their lessons if you re willing to learn And by opening yourself up to new adventures by recognizing that you have the freedom to choose your own road you ll find something else that has been hiding in plain sight you ll find the life of which you have always dreamed and the curiosity and courage it takes to make that life happen
