**Farm City** Novella Carpenter, 2009-06-11 Urban and rural collide in this wry inspiring memoir of a woman who turned a vacant lot in downtown Oakland into a thriving farm Novella Carpenter loves cities the culture the crowds the energy At the same time she can't shake the fact that she is the daughter of two back to the land hippies who taught her to love nature and eat vegetables Ambivalent about repeating her parents disastrous mistakes yet drawn to the idea of backyard self sufficiency Carpenter decided that it might be possible to have it both ways a homegrown vegetable plot as well as museums bars concerts and a twenty four hour convenience mart mere minutes away Especially when she moved to a ramshackle house in inner city Oakland and discovered a weed choked garbage strewn abandoned lot next door She closed her eyes and pictured heirloom tomatoes a beehive and a chicken coop What started out as a few egg laying chickens led to turkeys geese and ducks Soon some rabbits joined the fun then two three hundred pound pigs And no these charming and eccentric animals weren't pets she was a farmer not a zookeeper Novella was raising these animals for dinner Novella Carpenter's corner of downtown Oakland is populated by unforgettable characters Lana anal spelled backward she reminds us runs a speakeasy across the street and refuses to hurt even a fly let alone condone raising turkeys for Thanksgiving Bobby

the homeless man who collects cars and car parts just outside the farm is an invaluable neighborhood concierge The turkeys Harold and Maude tend to escape on a daily basis to cavort with the prostitutes hanging around just off the highway nearby Every day on this strange and beautiful farm urban meets rural in the most surprising ways For anyone who has ever grown herbs on their windowsill tomatoes on their fire escape or obsessed over the offerings at the local farmers market Carpenter's story will capture your heart And if you've ever considered leaving it all behind to become a farmer outside the city limits or looked at the abandoned lot next door with a gleam in your eye consider this both a cautionary tale and a full throated call to action Farm City is an unforgettably charming memoir full of hilarious moments fascinating farmers tips and a great deal of heart It is also a moving meditation on urban life versus the natural world and what we have given up to live the way we do
