Seeing Ourselves Peter Isaac Rose, Peter I. Rose, 1972 Bibliography of the Writings of Irving Louis Horowitz

Billson, 2018-04-17 In *Pathways to Manhood* published in cloth as *Strategic Styles Coping in the Inner City* Janet Maricini
Billson studies five young boys who grew up in Roxbury Massachusetts during the intense racial and political turmoil of the
late 1960s and early 1970s Using data from Harvard's Pathways to Identity project she analyzes how healthy ego striving
develops in the social and physical decay of an inner city environment The author draws a rich and absorbing portrait of each
boy and of his life Although they grew up in the same social context the boys became very different individuals In a new
preface to this expanded edition Billson maintains that it is still vitally important to understand the coping styles that young
black males develop in the face of adversity Bernard E Bruce traces what happened to the five boys who are now men In
their forties in his poignant epilogue *From Boys to Men* A new chapter on intervention strategies shows how parents
teachers and others who work with inner city youth can most effectively support positive coping styles Graphic
representations help visualize both the styles and the intervention strategies This classic book is a valued resource for
