Selected Writings William Sharp, 1912 **Selected Writings** José Martí, 2002-04-30 José Martí 1853-1895 is the most renowned political and literary figure in the history of Cuba. A poet, essayist, orator, statesman, abolitionist, and the martyred revolutionary leader of Cuba's fight for independence from Spain, Martí lived in exile in New York for most of his adult life, earning his living as a foreign correspondent. Throughout the 1880s and early 1890s, Martí's were the eyes through which much of Latin America saw the United States. His impassioned kaleidoscopic evocations of that period in U.S. history—the assassination of James Garfield, the opening of the Brooklyn Bridge, the execution of the Chicago anarchists, the lynching of the Italians in New Orleans, and much more—bring it rushing back to life. Organized chronologically, this collection begins with his early writings, including a thundering account of his political imprisonment in Cuba at age sixteen. The middle section focuses on his journalism, which offers an image of the United States in the nineteenth century, its way of life and system of government that rivals anything written by de Tocqueville, Dickens, Trollope, or any other European commentator. Including generous selections of his poetry and private notebooks, the book concludes with his astonishing hallucinatory final masterpiece, *War Diaries*, never before translated into English. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Selected Essays, Volume I Andrew Louth, 2023-07-18 Taken together, these two volumes collect seventy-five essays written by Professor Andrew Louth over a forty-year period. Louth's contribution to scholarship and theology has always been

significant and these essays have been collected from journals and edited collections many of which are difficult to access and are here made available over two thought provoking and wide ranging volumes Volume I focuses on a variety of topics in Patristics or early Christian studies In these essays Louth discusses early Christian thinkers from the early second century through to Photios of Constantinople in the east in the tenth century and Thomas Aquinas in the west in the thirteenth century Constant figures who appear at the heart of these volumes are Maximus the Confessor c 580 662 and John of Damascus 676 749 Short Essays: Original and Selected, Etc Short essays, 1885 *Gregory of Nyssa's Tabernacle Imagery in Its Jewish and Christian Contexts* Ann Conway-Jones, 2014-09-25 Integrating patristics and early Jewish mysticism this book examines Gregory of Nyssa's tabernacle imagery as found in *Life of Moses* 2 170 201 Previous scholarship has often focused on Gregory's interpretation of the darkness on Mount Sinai as divine incomprehensibility However true to Exodus Gregory continues with Moses's vision of the tabernacle not made with hands received within that darkness This innovative methodology of heuristic comparison doesn't strive to prove influence but to use heavenly ascent texts as a foil in order to shed new light on Gregory's imagery Ann Conway Jones presents a well rounded nuanced understanding of Gregory's exegesis in which mysticism theology and politics are intertwined Heavenly ascent texts use descriptions of religious experience to claim authoritative knowledge For Gregory the high point of Moses's ascent into the darkness of Mount Sinai is the mystery of Christian doctrine The heavenly tabernacle is a type of the heavenly Christ This mystery is beyond intellectual comprehension it can only be grasped by faith and only the select few destined for positions of responsibility should even attempt to do so *The Bibliotheca Sacra and Biblical Repository*, 1859 A Primer on Postmodernism Stanley J. Grenz, 1996-02-06 From the academy to pop culture our society is in the throes of change rivaling the birth of modernity out of the decay of the Middle Ages We are now moving from the modern to the postmodern era But what is postmodernism How did it arise What characterizes the postmodern ethos What is the postmodern mind and how does it differ from the modern mind Who are its leading advocates Most important of all what challenges does this cultural shift present to the church which must proclaim the gospel to the emerging postmodern generation Stanley Grenz here charts the postmodern landscape He shows the threads that link art and architecture philosophy and fiction literary theory and television He shows how the postmodern phenomenon has actually been in the making for a century and then introduces readers to the gurus of the postmodern mind set What he offers here is truly an indispensable guide for understanding today's culture **The Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1894 An Answer to Sir Thomas More's Dialogue William Tyndale, 1850 *The Decades of Henry Bullinger* Heinrich Bullinger, 1849
