Selected Declarations Of Dependence:

Selected Declarations of Dependence Harry Mathews, 1977 First published in 1977 Selected Declarations of Dependence has like all the books by Harry Mathews grown in reputation over the years of its unavailability Sun and Moon Press now returns this remarkable text to print with a new introduction and the original Alex Katz illustrations Selected Declarations of Dependence is based on a set of forty six familiar proverbs used and abused in various ways The proverbs provide the entire vocabulary of the opening story Their Words For You In the section called Perverbs and Paraphrases Mathews explores the narrative implications of the crossed proverb or perverb in which two regular proverbs are mixed A rolling stone leads to Rome The remaining uses of proverbs and perverbs and the Sorites which bows to Lewis Carroll's demonstration of the form all produce an hilarious text of familiar quotations gone amuck and reveal Mathews involvement with the Oulipo

Selected Declarations of Dependence Mark Harry Mathews, 1977 **Selected Declarations of Dependence** Harry Mathews, 1977* **Who Says This?** Welch D. Everman, 1988 Who or what gives the text its authority Everman offers three main sources of authority the author the discourse and the reader His first section examines the authority of the author by studying the works of contemporary American writers An essay on docufiction focuses on the paradox of using the techniques of fiction to discover reality The probability of writers revealing truths about themselves is exemplified by Raymond Federman's quasi autobiographical novels The second part discusses the authority of discourse challenging writers with the possibility that literary form not the author is the major force in creating works The final section explores the authority of the reader Italo Calvino's If on a winter's night a traveler makes the reader the main character of the novel and implicates him in its creation **Worth a Thousand Words** Wolfgang Mieder, 2014 In 2014 Wolfgang Mieder published Behold the Proverbs of a People Proverbial Wisdom in Culture Literature and Politics with the University Press of Mississippi The book created an informative entry into the world of proverb scholarship illustrating that proverbs have always been and continue to be wisdom's international currency Picking up where Behold the Proverbs of a People left off this new book brings traditional proverbs into the modern era analyzing proverbs under four headings American proverbs proverbs in politics proverbs in literature and proverbs in culture Within these sections a wide array of proverbs and the topics they express are addressed and shown to still be relevant to the political and cultural landscape of today Worth a Thousand Words discusses the global spread of American proverbs and the reliance of proverbs in politics and everyday life in America and internationally It also examines proverbs in literature such as Don Quixote and Destined to Witness as well as proverbs in fairy tales Proving the pen is mightier than the sword Mieder's book demonstrates the ubiquity of proverbs By recognizing and documenting the proverbial linguistic patterns of our culture people and systems Mieder shows us how creative language serves as the guideposts for a free and idealistic world for ages past and ages to come **Heidegger and Future Presencing (The Black Pages)** Spencer Golub, 2019-10-18 This book applies Heidegger's writings to experimental

fictions and film genres in order to study a being there that performs itself beyond liveness and a future that is already here
 Theatrical mise en scene is analyzed as a way of modeling the Heideggerian ontological existential exchanging a deeper
 presencing for the fictional now of liveness The book is organized around ostensible objects that are in fact things as such
 and performs its theme via time traveling interruptions decompositions incompleteness failure geometric patterning and
 above all black pages first cited in Tristram Shandy This is a nuanced original work that combines unexpected sources with
 even more unexpected writing imagery and correspondences It is part of Golub s ongoing project of lyrically reimagining
 philosophy and the mise en scene of theatrical performance a presence room of consciousness in light of one another **My**
Life in CIA Harry Mathews,2005 In the early 1970s Harry Mathews then living in France was commonly reputed to be a CIA
 agent and so he decided to act the part Part spellbinding thriller part gag this memoir documents Mathews s experiences as
 a would be spy during the coup in Chile Watergate and the close of the Vietnam War when various foreign agencies decided
 he would have to be liquidated Invisible Forms Kevin Jackson,2014-12-30 Dedications Titles Epigraphs Footnotes
 Prefaces Afterwords Indexes These and other invisible literary necessities form the skeletons of many a book yet these
 unacknowledged and unexamined forms abound in wisdom curiosities or eccentricities With both erudition and wit and
 drawing on examples from every part of literature s history ranging from the greats such as Shakespeare Beckett and T S

 Invisible Forms will appeal to anyone who is interested in books and in the art of writing It is the perfect companion for
 literature lovers everywhere **Encyclopedia of the New York School Poets** Terence Diggory,2015-04-22 Presents an
 alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early
 twentieth century *Cigarettes* Harry Mathews,2025-06-17 Cigarettes is a novel about the rich and powerful tracing their
 complicated relationships from the 1930s to the 1960s from New York City to Upper New York State Though nothing is as
 simple as it might appear to be we could describe this as a story about Allen who is married to Maud but having an affair
 with Elizabeth who lives with Maud Or say it is a story about fraud in the art world horse racing and sexual intrigues Or as
 one critic did compare it to a Jane Austen creation or to an Aldous Huxley novel and be right and wrong on both counts What
 one can emphatically say is that Cigarettes is a brilliant display of Harry Mathews s ingenuity and deadly playfulness The
Conversions Harry Mathews,1997 At a dinner party hosted by a wealthy New Yorker a guest receives a gold adze the coveted
 prize in a worm race When the man dies the next day he bequeaths according to a stipulation in his will the bulk of his
 fortune to the adze s possessor provided he answer three mysterious questions relating to the artifact s history In his search
 the owner encounters a menagerie of eccentric personalities an ancient revolutionary in a Parisian prison a ludicrous pair of
 gibberish speaking brothers and customs officials who spend their time reading contraband materials He soon finds himself
 immersed in the centuries long history of a persecuted religious sect and in an odyssey that begins in a forgotten fog covered

town in Scotland and ends on the ocean floor off the coast of an uncharted French island A wild goose chase through a remarkably unusual world *The Conversions* invites both reader and protagonist to participate in a quest for answers to an elusive game *The Oxford Companion to American Literature* James David Hart,1948

The Journalist Harry Mathews,2025-06-17 A blend of postmodern metafiction and old style bedroom farce *The Journalist* explores the elusive sometimes illusive boundaries between facts and the fictions we weave around them The novel's protagonist living at a time that might be the present in a city that might be anywhere has decided for reasons of mental hygiene to keep a detailed record of his thoughts words and deeds Very quickly however the project begins to absorb his entire life as the increasingly meticulous recording of experience threatens to supplant experience itself To make matters worse what he records offers its own grist for worry his devoted wife suddenly grows secretive his equally devoted mistress turns evasive his frustratingly independent son might or might not be visiting that same mistress behind his back and his closest friend begins acting in mysterious ways and is it just his imagination or is this friend having clandestine meetings with his wife His ever more convoluted perceptions breed a dark muddle of suspicion leading to a climax that is at once intensely funny and excruciatingly poignant

Tlooth Harry Mathews,1998 This novel begins in a Russian prison camp at a baseball game featuring the defective Baptists versus the Fideists There is a plot of sorts one of revenge surrounding a doctor who in removing a bone spur from our narrator manages to amputate a ring and index finger a significant surgical error considering that the narrator is or was a violinist When Dr Roak is released from prison our narrator escapes in order to begin the pursuit and thus begins a digressive journey from Afghanistan to Venice then on to India and Morocco and France All of this takes place amid Mathews's fictional concern and play with games puzzles arcana and stories within stories

The Solitary Twin Harry Mathews,2018-03-27 Harry Mathews's last novel is one of his most accessible and perhaps one of his best Harry Mathews's brilliant final work *The Solitary Twin* is an engaging mystery that simultaneously considers the art of storytelling When identical twins arrive at an unnamed fishing port they become the focus of the residents' attention and gossip The stories they tell about the young men uncover a dizzying web of connections revealing passion sex and murder Fates are surprisingly intertwined and the result is a moving often hilarious novel that questions our assumptions about life and literature
