The Columbia Anthology of Modern Korean Poetry David McCann,2004-03-24 Korea's modern poetry is filled with many different voices and styles subjects and views moves and countermoves yet it still remains relatively unknown outside of Korea itself This is in part because the Korean language a rich medium for poetry has been ranked among the most difficult for English speakers to learn The Columbia Anthology of Modern Korean Poetry is the only up to date representative gathering of Korean poetry from the twentieth century in English far more generous in its selection and material than previous anthologies It presents 228 poems by 34 modern Korean poets including renowned poets such as So Chongju and Kim Chiha **Mujong (The Heartless)** Kwang-su Yi,2010-03-31 Yi Kwang su 1892-1950 was one of the pioneers of modern Korean literature When the serialization of *Mujong The Heartless* began in 1917 it was an immediate sensation and it occupies a prominent place in the Korean literary canon *The Heartless* is the story of a love triangle among three youths during the Japanese occupation Yi Hy ng sik is a young man in his mid twenties who is teaching English at a middle school in Seoul Brilliant but also shy and indecisive he is torn between two women Kim S n hy ng is from a wealthy Christian family she has just graduated from a modern Western style school and is planning on continuing her studies in the United States Pak Y ng ch ae is a musically gifted young woman who was raised in a traditional Confucian manner due to family misfortune she has become a *kisaeng* but remains devoted to Hy ng sik whom she knew as a child *The Heartless* goes beyond the level of romantic melodrama and uses these characters to depict Korea's struggles with modern culture and national identity A long

ideological political and social change in this period This book is intended to address such issues through an investigation of the ways in which different members of the court community deployed poems in the pursuit of power **Portrait of a**

*The Secret Island and the Enticing Flame* Edwin A. Cranston, 2010-03-31 The three essays in this book draw on the translator s work on love poetry classical waka and the tanka of Yosano Akiko 1878 1942 but also introduce the prose poems and free verse of a contemporary surrealist poet Mizuno Ruriko whose themes are childhood and the loss of innocence The Secret Island and the Enticing Flame shows the translator of poetry experimenting with three different ways to present the results of his craft In the Dark of the Year is an essay in sequencing Cranston arranges translations of fifty love poems in the tanka form ranging from the ancient chronicle Kojiki to the contemporary poet Tawara Machi in an examination of desire melancholy and despair The arrangement inspired by the technique of association and progression suggests an ongoing love

story and limns the essence of the classical love tradition Young Akiko The Literary Debut of Yosano Akiko 1878 1942 adopts a biographical approach Richly documented with the astonishing tanka of the young poet who burst on the literary scene in 1900 this essay updates the author s article originally published in 1977 in Literature East and West Finally the longest essay The Dark at the Bottom of the Dish Fishing for Myth in the Poetry of Mizuno Ruriko shows Cranston working outside his usual box on the poems of a contemporary surrealist whose deepest themes are childhood and loss of innocence Mizuno hitherto not well known outside Japan is a master of the prose poem and free verse Cranston s essay shows the translator searching for the mysterious power that draws him to a poetry quite different from any on which he has previously worked

*Traces in the Way* Noel J. Pinnington, 2010-03-31 *Traces in the Way* is simultaneously a critical interpretation of the writings of noh playwright and thinker Komparu Zenchiku 1407 1470 a refutation of received views of Japanese traditional arts michi and an analysis of medieval Japanese uses of texts The disciplinary approach is broadly that of cultural studies combining close reading social contextualization and drawing on multiple fields The study is organized through the five elements that Konishi Jin ichi s identified as essential to michi specialization transmission conformity universality and authority Each of these is examined critically and revised providing a basis from which Zenchiku s works can be elucidated This new approach makes it possible to solve much that in conventional studies has remained puzzling about Zenchiku s works including the principles behind the works of classification the purposes that resulted in the rokurin ichiro works and the ideology present in the fragmentary work Meishukushu It becomes clear that Zenchiku far from being a docile recipient of his teacher Zeami s legacy combined Zeami s texts with those of other michi to radically reposition his own practice in the cultural fields of his day Zenchiku drew on a range of legitimating styles to fashion a new rationale for performance one adequate to changing patronage requirements and appropriate to the circumstances of his troupe In this position taking Zenchiku was strikingly successful as is witnessed by the survival of the Komparu line through the chaotic century after his death With this book we come to know a good deal about sarugaku s transmission in the fifteenth century enough to remedy a facile idealization of Japanese michi

*The Art of Being Alone* Shuntaro Tanikawa, 2011-08-31 This extensive selection of Tanikawa Shuntaro s poetry reflects the full depth and breadth of his work from his appearance as a fresh new voice to the mastery of his later poetry It traces his artistic development and his shift in focus from man s cosmic destiny to the pathos of everyday life and a more internalized struggle with the nature of human expression Lovers of poetry will find the experience exhilarating The only such collection in English this volume will prove indispensable to students and scholars of Japanese literature as it opens a valuable new perspective on postwar Japanese literature The Introduction clarifies the social and artistic background of Tanikawa s extraordinary work and career illuminating major themes as his poetry evolves over time

Negotiated Power in Late Imperial China Jennifer Rudolph, 2010-02-28 *Negotiated Power in Late Imperial China* The Zongli Yamen and the Politics of Reform explores the nature and functioning of reform during the nineteenth century of

China's Qing dynasty 1644-1911 By analyzing the bureaucratic modes of management that developed around the creation and evolution of the Zongli Yamen or Foreign Office 1861-1901 the book demonstrates the vitality of not only the Chinese State but also the institutional traditions of its Manchu rulers Drawing on precedent and the flexibility of the administrative system in their efforts to manage the conduct of foreign affairs high Qing ministers transformed opportunities for institutional dynamism into the reality of a functioning central Zongli Yamen with a foreign affairs field administration supporting it in the provinces In the process they altered the governmental hierarchy and changed the definition of institutional power in the multi-faceted area of foreign affairs and more generally for the Qing bureaucracy As the most significant example of institutional development in China's critical period of the nineteenth century the Zongli Yamen's experience serves as valuable background for understanding reform efforts in late imperial China and beyond **Stateless**

Kawashima, Fabian Schafer, Robert Stolz, 2014-01-31 Tosaka Jun 1900-1945 was one of modern Japan's most unique and important critics of capitalism the emperor system imperialism and everyday life in wartime Japan This collection of translations contains some of Tosaka's most important essays and original articles on Tosaka *Asian Christian Theologies: Northeast Asia* John C.
