Selected Poems Of Solomon Ibn Gabirol Lockert Library Of P:

Selected Poems of Solomon Ibn Gabirol Solomon Ibn Gabirol, 2016-06-30 Poet philosopher and sensitive misanthrope a spectacular fly in the ointment of the refined eleventh century Andalusian Jewish elite Solomon Ibn Gabirol comes down to us as one of the most complicated intellectual figures in the history of post biblical Judaism Unlike his worldly predecessor Shmuel HaNagid the first important poet of the period Ibn Gabirol was a reclusive mystically inclined figure whose modern sounding medieval poems range from sublime descriptions of the heavenly spheres to poisonous jabs at court life and its pretenders His verse which demonstrates complete mastery of the classicizing avant garde poetics of the day grafted an Arabic aesthetic onto a biblical vocabulary and Jewish setting taking Hebrew poetry to a level of metaphysical sophistication and devotional power it has not achieved since Peter Cole s selection includes poems from nearly all of Ibn Gabirol s secular and liturgical lyric genres as well as a complete translation of the poet s long masterwork Kingdom s Crown Cole s rich inventive introduction places the poetry in historical context and charts its influence through the centuries Extensive annotations accompany the poems This companion volume to Peter Cole s critically acclaimed *Selected Poems of Shmuel HaNagid* presents the first comprehensive selection of Ibn Gabirol s verse to be published in English and brings to life an astonishing body of poetry by one of the greatest Jewish writers of all time *The Reception of Philo of Alexandria* Courtney J. P. Friesen, David Lincicum, David T. Runia, 2025-01-12 Philo of Alexandria was a Jewish statesman philosopher and religious thinker A significant amount of his literary corpus was preserved by Christian hands and thereby came to resource numerous theologians in the Christian tradition After passing into obscurity in Jewish circles in antiquity Philo was rediscovered in the Italian Renaissance and came to feature in Jewish tradition once again Philo s works straddle an interest in exegesis and philosophy and the multi faceted contents of his thought ensured a long history of reception among readers with their own agendas This authoritative and systematic collection of essays by an international team of experts surveys Philo s reception from the time of his immediate contemporaries to the present day The book unfolds over six sections the first centuries late antiquity the middle ages the renaissance and early modern period from the eighteenth to the twentieth centuries and contemporary perspectives *The Dream of the Poem*, 2009-01-10 Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most powerful body of Jewish poetry written since the Bible Fusing elements of East and West Arabic and Hebrew and the particular and the universal this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language place and time Peter Cole s translations reveal this remarkable poetic world to English readers in all of its richness humor grace gravity and wisdom *The Dream of the Poem* traces the arc of the entire period presenting some four hundred poems by fifty four poets and including a panoramic historical introduction short biographies of each poet and extensive notes The original Hebrew texts are available on the Princeton University Press Web site By far the most potent and comprehensive gathering of medieval Hebrew poems ever assembled in English Cole s

anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation a body of lyric and didactic verse so intense so intelligent and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us The Dream of the Poem is Howard says a crowning achievement *Die Philosophie des Hoch- und Spätmittelalters* Theo Kobusch,1976
