Narrative of the Second Arctic Expedition Made by Charles F. Hall Charles Francis Hall, United States Naval Observatory, 1879 Contains a preliminary chapter on Hall's three expeditions and the Franklin search and two chapters on the preparations for the second expedition *Lineal List of Commissioned and Warrant Offices of the Marine Corps Reserve, 1 September 1956* United States. Marine Corps, 1957 Porn Robert J. Stoller, 1991-01-01 Bill Merlin Happy and Kay are among the porn film performers and producers who tell their stories to Dr Robert J Stoller in this psychodynamic ethnography of adult heterosexual pornography Their engrossing accounts reveal in rich detail not only the inner workings of the Industry and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and normal human erotic behavior and attitudes Consistently nonjudgmental about the material he presents Dr Stoller nevertheless draws provocative conclusions about porn its practitioners and its effects on society Everyone at work on a porn production he says uses it as a vehicle for unloading his or her rage against something mores institutions laws parents females or males According to Dr Stoller pornography does not exist only to degrade women there is no reliable evidence that it increases the frequency of rape and with the exception of child porn it does little harm Pornography says Dr Stoller seems more the result of our changing society than a cause of change it reflects more than influences our values and mores
