Business If It's Mostly Politics? Mike Latimer, 1999-09 In this first ever foray into the mysterious and tumultuous world of corporate politics the author traces it from its humble beginnings to its commanding position of influence over every facet of business life in organizations today As head of The Truth Squad an independent consulting practice which he founded Mike Latimer has studied the myriad of ways in which corporate politics is practiced in the workplace Utilizing remarkable comparisons to the animal kingdom and revolutionary concepts such as facts evasion and excessive wait loss he brings the topic further out into the open than ever before Anyone who has ever been part of an organization will be able to identify with his real life examples from experiences spanning over twenty years in business The book provides the most enlightening and amusing perspective ever presented on this subject and is a must read for those interested in learning more about this unshakable reality of the business world In this first ever foray into the mysterious and tumultuous world of corporate politics the author traces it from its humble beginnings to its commanding position of influence over every facet of business life in organizations today As head of The Truth Squad an independent consulting practice which he founded Mike Latimer has studied the myriad of ways in which corporate politics is practiced in the workplace Utilizing remarkable comparisons to the animal kingdom and revolutionary concepts such as facts evasion and excessive wait loss he brings the topic further out into

the open than ever before Anyone who has ever been part of an organization will be able to identify with his real life examples from experiences spanning over twenty years in business The book provides the most enlightening and amusing perspective ever presented on this subject and is a must read for those interested in learning more about this unshakable reality of the business world Airline Business in the 21st Century Rigas Doganis,2005-06-28 This book focuses on the major issues that will affect the airline industry in this new millennium It tells of an industry working on low margins and of cut throat competition resulting from open skies Among the issues discussed are the low cost airline the impact of electronic commerce the debate on global airline alliances privatizing state owned airlines the creation of a Trans Atlantic Common Aviation area Most importantly the book carefully analyzes the strategies that are needed for airlines to succeed in the twenty first century This is essential reading for anyone interested in aviation **The Next Crash** Amy L. Fraher,2014-05-09 Amy L Fraher offers a shocking perspective on the aviation industry by a former United Airlines pilot Amy L Fraher uncovers the story airline executives and government regulators would rather not tell **Principles of Management for Leadership Communication** Hasanraza Ansari, Principles of Management teaches management principles to tomorrow s business leaders by weaving three threads through every chapter strategy entrepreneurship and active leadership Strategic All business school teachings have some orientation toward performance and strategy and are concerned with making choices that lead to high performance Principles of Management will frame performance using the notion of the triple bottom line the idea that economic performance allows individuals and organizations to perform positively in social and environmental ways as well The triple bottom line is financial social and environmental performance It is important for all students to understand the interdependence of these three facets of organizational performance The Entrepreneurial Manager While the General Management course at Harvard Business School was historically one of its most popular and impactful courses pioneered in the 1960s by Joe Bower recent Harvard MBAs did not see themselves as general managers This course was relabeled The Entrepreneurial Manager in 2006 and has regained its title as one of the most popular courses This reflects and underlying and growing trend that students including the undergraduates this book targets can see themselves as entrepreneurs and active change agents but not just as managers By starting fresh with an entrepreneurial change management orientation this text provides an exciting perspective on the art of management that students can relate to At the same time this perspective is as relevant to existing for profit organizations in the form intrapreneurship as it is to not for profits and new entrepreneurial ventures Active Leadership Starting with the opening chapter Principles of Management show students how leaders and leadership are essential to personal and organizational effectiveness and effective organizational change Students are increasingly active as leaders at an early age and are sometimes painfully aware of the leadership failings they see in public and private organizations It is the leader and leadership that combine the principles of management the artist s palette tools and techniques to create the art of

management This book's modular format easily maps to a POLC Planning Organizing Leading and Controlling course organization which was created by Henri Fayol General and industrial management 1949 London Pitman Publishing company and suits the needs of both undergraduate and graduate course in Principles of Management **The Rebellious CEO** Ralph Nader,2023-11-14 This is just the book for anyone who enjoys the podcast How I Built This Michael Dirda The Washington Post Nader is one of America's most effective social critics Forbes One of corporate America's greatest foes shows how 12 CEOs he has known uniquely rejected narrow yardsticks of shareholder value by leading companies to larger models of prosperity and justice Over the course of 7 decades Ralph Nader has been Corporate America's fiercest critic Supreme Court Justice William Powell singled out Nader in his infamous memo as the single most effective antagonist of American business the target of his hatred is corporate power But now in a book that will surprise both his fans and critics Nader profiles a small group of CEOs who he believes performed extraordinarily well as business leaders and civic reformers some well known some not who should be celebrated as exceptions whose life and career should be a course of emulation and inspiration for students of business executives and the wider citizenry This select group of mavericks and iconoclasts which includes The Body Shop's Anita Roddick Patagonia's Yvon Chouinard Vanguard's John Bogle and Busboys and Poets Andy Shallal give us Nader writes a sense of what might have been and what still could be if business were rigorously framed as a process that was not only about making money and selling things but improving our social and natural world Sustained Leadership WBS Thomas G. Reid,2017-09-26 The Sustained Leader WBS provides a comprehensive tool for assessing and improving leadership potential A Work Breakdown Structure decomposes every part of the work to be done in a project Through extensive research and surveys the author has identified 229 WBS elements that apply to building yourself into a sustained leader Each element provides a self assessment additional resources and a place to record personal goals and due dates giving each reader a personal program plan to build themselves into a better leader **The Airline Business** Rigas Doganis,2006 The second edition of Rigas Doganis book brings the airline industry story up to date exploring airline mergers and alliances price wars the impact of disasters and the future prospects for the industry as a whole
