The Answer: God's Covenants of Promise John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4:6 says that God's people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God's Covenants of Promise will have achieved its purpose if it can open a reader's eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God's Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God's Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth God's son

Dangerous Virtues John Koessler, 2020-09-01 Has the World Confused Evil with Righteousness When sin is disguised as virtue the path to cultivating righteousness becomes impossible Such is the challenge Christians face in the modern age Not long ago most people would agree that the seven deadly sins are in fact deadly But ask them today and you'll

hear a different answer Today anger is often considered an admirable emotion lust the only expression of love and greed the unassailable right to get what s yours The world can rebrand sin all it wants and declare the death of truth but it has no power against the truth of the Scripture What God calls sin is sin no matter what the world says And sin always has the same destination death and destruction Dangerous Virtues examines how to recognize these seven deadly sins as they are subtly disguised in today s culture Dr John Koessler provides a theology of sin and why the Christian must develop a prayerful heart and discerning eye to identify where sin exists in a world where good is called evil and evil called good
