PROSPERO'S CHILDREN

Prosperos Children

David Staines

Prosperos Children:

Prospero's Children Jan Siegel, 2007-12-18 It began ages past in fabled Atlantis when a mad power hungry queen forged a key to a door never meant to be opened by mortal man its inception would hasten her own death and the extinction of her vainglorious race For millennia the key lay forgotten beneath the waves lost amid the ruins of what had been the most beautiful city on Earth But however jealously the sea hoards its secrets sooner or later it yields them up Now in present day Yorkshire that time has come And for young Fernanda Capel life will never be the same again *Sibling Relations and Gender in the Early Modern World* Naomi J. Miller, Naomi Yavneh, 2017-05-15 While the relationships between parents and children have long been a staple of critical inquiry bonds between siblings have received far less attention among early modern scholars Indeed until now no single volume has focused specifically on relations between brothers and sisters during the early modern period nor do many essays or monographs address the topic The essays in *Sibling Relations and Gender in the Early Modern World* focus attention on this neglected area exploring the sibling dynamics that shaped family relations from the fifteenth through the seventeenth centuries in Italy England France Spain and Germany Using an array of feminist and cultural studies approaches prominent scholars consider sibling ties from a range of interdisciplinary perspectives including art history musicology literary studies and social history By articulating some of the underlying paradigms according to which sibling relations were constructed the collection seeks to stimulate further scholarly research and critical inquiry into this fruitful area of early modern cultural studies *Reimagining Shakespeare for Children and Young Adults* Naomi Miller, 2013-10-15 First published in 2003 Routledge is an imprint of Taylor Francis an informa company

Prospero's Children Amanda Hemingway, 2000 *Shakespeare as Children's Literature* Velma Bourgeois Richmond, 2008-05-14 Although William Shakespeare is widely regarded as the greatest writer in the English language he traditionally receives little notice in studies of children's literature However there is a fascinating relationship between Shakespeare and children's interests and the Bard's works have been successfully adapted for children's use over several centuries This book continues and parallels the author's previous study *Chaucer as Children's Literature* as part of a greater endeavor to evaluate the significance of traditional literature retold as children's literature in modern English studies It examines the ways in which William Shakespeare's stories have been adapted for children particularly in Mary and Charles Lamb's *Tales from Shakespeare* which was almost immediately recognized as a classic of children's literature when it was first published in 1807 The author describes the significance of the Lamb's *Tales* as the pre eminent children's adaptation of Shakespeare's literature focusing particularly on the lavishly illustrated Edwardian editions which used pictures to convey Shakespeare's stories for children Other topics include Victorian alternatives to the Lamb's stories including anthologies from David Murray Smith Abby Sage Richardson and Mary Seymour the lavish illustrations of Shakespeare's stories found in antique English textbooks Shakespeare in nursery books including sophisticated collections from Mary Macleod Thomas

Carter Alice S Hoffman and other noted authors and Shakespeare in multi volume American collections including The Children s Hour Journeys through Bookland and The Junior Classics

Catholic Spectacle and Rome's Jews Emily Michelson,2024-02-27 A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century Jews in Rome were forced every Saturday to attend a hostile sermon aimed at their conversion Harshly policed they were made to march en masse toward the sermon and sit through it all the while scrutinized by local Christians foreign visitors and potential converts In *Catholic Spectacle and Rome s Jews* Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism Drawing from a trove of overlooked manuscripts Michelson reconstructs the dynamics of weekly forced preaching in Rome As the Catholic Church began to embark on worldwide missions sermons to Jews offered a unique opportunity to define and defend its new triumphalist global outlook They became a point of prestige in Rome The city s most important organizations invested in maintaining these spectacles and foreign tourists eagerly attended them The title of Preacher to the Jews could make a man s career The presence of Christian spectators Roman and foreign was integral to these sermons and preachers played to the gallery Conversionary sermons also provided an intellectual veneer to mask ongoing anti Jewish aggressions In response Jews mounted a campaign of resistance using any means available Examining the history and content of sermons to Jews over two and a half centuries *Catholic Spectacle and Rome s Jews* argues that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity

The Dragon Charmer Jan Siegel,2009-10-07 In the enchanting novel *Prospero s Children* Jan Siegel introduced an extraordinary heroine and the lushly evocative world of wonders and terrors that quickly enveloped her normal adolescent life Now Siegel summons us back to the magic with the continuing story of Fern Capel and the remarkable power of her extraordinary Gift After surviving an amazing terrifying summer twelve years ago Fern makes a fateful decision to deny the mystical powers that pulse through her family s past Yearning for a simple quiet life she decides to marry a man twenty years her senior a man who insists they wed at the Capels summer house in Yarrowdale a place swelling with mood marvel and magic For when Fern returns there with her best friend Gaynor ancient sinister forces reawaken Yet Fern has had enough Enough of running from her fate enough of hiding from her Gift As she turns to face her destiny the real world falls away and Fern is once again swept into another land removed from Time void of comfort It will take all her skill and daring to fight her way back to the present and save the people she loves from the ever growing danger that threatens to destroy them And to her utmost surprise the key to survival is a dragon with the capacity to rule the world but who will relinquish it all to one man Jan Siegel has created an intense fascinating world To surrender yourself under her captivating spell is to remember how remarkably powerful a literary voyage can be

The Child in Shakespeare Charlotte Scott,2018-09-12 This book examines the child on Shakespeare s stage As a life force an impassioned plea for justice a legacy history memory or image of love or violence

children are everywhere in Shakespeare's plays Focusing on Shakespeare's unique interest in the young body the life stage and the parental and social dynamic this book offers the first sustained account of the role and representation of the child in Shakespeare's dramatic imagination Drawing on a vast range of contemporary texts including parenting manuals and household and pedagogic texts as well as books on nursing and maternity child birth and child rearing *The Child in Shakespeare* explores the contexts in which the idea of the child is mobilised as a body and image on the early modern stage Understanding the child not only as a specific life stage but also as a role and an abstraction of feeling this book examines why Shakespeare who showed little interest in writing for children in the playing companies wrote so powerfully about them on his stage

Shakespeare in Children's Literature Erica Hateley, 2009-01-13 *Shakespeare in Children's Literature* looks at the genre of Shakespeare for children considering both adaptations of his plays and children's novels in which he appears as a character Drawing on feminist theory and sociology Hateley demonstrates how Shakespeare for children utilizes the ongoing cultural capital of Shakespeare and the pedagogical aspects of children's literature to perpetuate anachronistic forms of identity and authority

Margaret Laurence David Staines, 2001-06-26 This book highlights the accomplishments of one of Canada's most acclaimed and beloved fiction writers Margaret Laurence The essays in this collection explore her body of work as well as her influence on young Canadian writers today *Margaret Laurence Critical Reflections* brings together twelve distinguished scholars critics and writers to illuminate Laurence's achievement focusing on the various dimensions of her career and corpus This book highlights the accomplishments of one of Canada's most acclaimed and beloved fiction writers Margaret Laurence The essays in this collection explore her body of work as well as her influence on young Canadian writers today Published in English
