Prostate Questions You Haveanswers:

Contemporary Issues in Prostate Cancer Jeanne Held-Warmkessel, 2006 Nurses must have the most up to date information possible to provide accurate patient education and competent nursing care with prostate cancer This book addresses those issues in a concise and thorough manner Chapters on risk factors and different treatment modalities used in cancer management are included Prostate! Prostate! Prostate! a Problem of Men Harold Usher P. Eng. DTM, Joseph Chin FRCSC, 2008 An informative easy to read account of man s prostate describing what s needed to be known after diagnosed with prostate cancer including therapeutic options Helps patients formulate questions and make informed treatment choices

Prostate Sandra Salmans, 2001-04-03 Almost all men over the age of forty five exhibit some form of prostate related symptoms This authoritative book the largest selling book on prostate problems on the market will tell you which symptoms are important and what you should do about them A complete guide to prostate health that includes information on the latest research this book cuts through the medical jargon and gets right to the facts answering such essential questions as Are prostate problems an inevitable part of the aging process What are the symptoms of an enlarged prostate Does treatment for prostate disease necessarily result in impotence Can too little sex cause a prostate problem What is the likelihood of developing prostate cancer What is the PSA test and how accurate is it What are the medical and surgical options available for prostate cancer What are the pros and cons of each treatment What should a man do to maintain prostate health And Much More **Asthma** Kristin Casler, 1998 Asthma is a disease that affects five percent of the US population and despite the good treatment available today the asthma related death rate is steadily climbing This book addresses the information that every person with asthma must know such as what asthma is how it is diagnosed how to recognize its symptoms and how to control it Oh No, Not Me! Joseph W. Lintzenich, 2001-03 In 1992 at the age of 55 Mr Lintzenich was diagnosed with prostate cancer This book is his personal story told in laymen s terms spanning over seven years The step by step journey looking at both the serious and humorous sides of this ordeal candidly tells about the fears confusion and expectations as his life was impacted by prostate cancer It begins with the shocking diagnosis and examines each step of the process as he learned of the treatment options and struggled to choose the course of action right for him The personal and medical information is a compilation of first hand experience advice from physicians literature provided by the hospital and personal research done after the diagnosis The book is for those who worry about prostate cancer for those who must decide on the choices of what to do after a positive diagnosis for those who fear prostate cancer surgery and for those who contemplate how their lives will be impacted Above all it is a book that comforts and is filled with hope for both the patient and their families Dr William J Catalona renowned prostate cancer research pioneer and surgeon commented that Joe s perspective offers hope and encouragement rather than emphasizing the bad side effects that can occur with prostate cancer surgery a vivid and often touching detail of one man s encounter with prostate cancer will be appreciated by patients and

their families for its accurate information its clarity and the hope and encouragement that it gives *Your Heart* People's Medical Society (U.S.),1996 This book gives a clear picture of that hollow muscle that beats in the center of every chest and explains what goes on when bad things happen to good hearts what can be done to correct or alleviate these problems and how to keep a heart healthy **Blood Pressure** People's Medical Society (U.S.),1996 These guides from People s Medical Society address the most common medical concerns in an accessible question and answer format In a departure from conventional references these books present both traditional and alternative methods of treatment and offer pro and con points of view for each **Prostate** Sandra Salmans,R. M. Youngson,1996-10 Using an easy to read question and answer format this is one in a series of authoritative health guides designed to cut through medical jargon and provide advice on common problems *Test Yourself for Maximum Health* Charles B. Inlander,1994 **Arthritis** Ellen Moyer,1997 Traditional and alternative treatments for pain and inflammation
