Protecting The Soul Safeguarding Your Spiritual Journey:

Protecting the Soul Craig Hamilton-Parker, 2003 The soul is the core of our being the seat of our innate knowledge the source of our conscience It moves us forward on our cosmic journey over many lives But negative influences always lie in wait ready to attack influences that can inhibit our spiritual progress Perhaps you have felt vulnerable for no apparent reason or you feel a strong unpleasant gut reaction to someone it might be the result of unpleasant mental energies sent by others Deflect these destructive vibrations and protect your soul with the wise advice of an expert on dreams intuition and other psychic phenomena Through brilliant and expressive images you ll see clearly the colorful energy fields given off by auras chakras and even places Then start sharpening your telepathic powers to heighten your awareness of danger as well as the brain s alpha wave patterns which act as spiritual armor against anger and depression Shield yourself from curses jinxes and the evil eye with amulets totems and protective spells Meditation eliminating fearfulness having faith in yourself with these and a variety of other strategies you ll stay safe from psychic harm *Embrace the Shadows Navigating the Narcissist*
