Tomáš Garrigue Masaryk,1938-01-01 *New York Times Saturday Book Review Supplement* ,1962-05 **Great Religions**
of the Modern World Edward Jabra Jurji,2015-12-08 Here is the answer to the desire of many thoughtful laymen for an
intelligent appraisal of the great contemporary faiths This is not a reference book but a group of essays for the general
reader on the idea the spiritual core of the chief religions of the modern day Each essay is written simply and objectively by
an eminent scholar with the authority that is the fruit of a lifetime study of his subject Fidelity to the classical tenets of each
religion and a desire to permit each to speak for itself are salient features of the work of these men They collaborated on the
fundamental outline of the book with the result that it is well integrated not a random collection of articles Recent events in
China Palestine India Indonesia Japan and many other parts of the globe lend a special interest to the subject at this time but
this is not a book on current events It takes a larger view and is a study of religion in its widest connotations as a potent force
in history and as a meaningful influence in the world today Originally published in 1946 The Princeton Legacy Library uses
the latest print on demand technology to again make available previously out of print books from the distinguished backlist of
Princeton University Press These editions preserve the original texts of these important books while presenting them in
durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich
scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The*
Meaning and End of Religion Wilfred Cantwell Smith,1991 Wilfred Cantwell Smith maintained in this vastly important work
that Westerners have misperceived religious life by making religion into one thing He shows the inadequacy of religion to
capture the living endlessly variable ways and traditions in which religious faith presents itself in the world
