I Should Be Extremely Happy in Your Company Brian Hall, 2003-12-30 A sweeping gorgeously written novel of Lewis and Clark's legendary expedition named one of the best novels of the year by The Boston Globe Salon The Los Angeles Times and The Christian Science Monitor Brian Hall's compulsively readable novel vividly re-creates Lewis and Clark's extraordinary journey into the unknown western frontier Focusing on the emblematic moments of the participants' lives the story unfolds through the perspectives of four competing voices from the troubled and mercurial figure of Meriwether Lewis the expedition leader who found that it was impossible to enter paradise without having it crumble around him to Sacagawea the Shoshone girl captive and interpreter for the expedition whose short life mirrored the disruptive times in which she lived Bringing the day to day life of the expedition alive as no work of history ever could Hall's magnificent novel fills in the gaps and provides a new perspective on the most famous journey in American history *Creating the Good Life* James O'Toole, 2005-05-06
