Proverbs African American:

African-American Proverbs in Context Anand Prahlad, 1996-07 Such sayings as Hard times make a monkey eat red pepper when he don t care for black The blacker the berry the sweeter the juice and Nothing ruins a duck but its bill convey not only axiomatic impact but also profound contextual meanings This study of African American proverbs is the first to probe deeply into these meanings and contexts Sw Anand Prahlad s interest in proverbs dates back to his own childhood in rural Virginia when he listened to his great grandmother s stories Very early he began collecting sayings In researching this book he spent five years listening for proverbs spoken in bars clubs churches and retirement homes on street corners basketball courts and public buses at PTA meetings and bingo games To discover the full context of a proverb Prahlad considers four levels of meanings grammatical cultural situational and symbolic All these operate simultaneously when a proverb is spoken Part of the artistry in using proverbs comes from the complex interplay of the dimensions of their meanings From WPA interviews with former slaves from the lyrics of blues songs from extensive field research and from expressions of protest and cultural affirmation the author reveals the myriad ways African American proverbs thrive today

Mama Said Bennie Newroth, 2007-10-01 Mama Said is an effort to record for future generations the words of wisdom from our ancestors It is not intended to be a scholarly thesis Rather it is a fond remembrance of the teachings of our mothers It is a realization that we are our mother s children and that the same advice we thought we had heard enough of we are now giving to our children In doing so we are perhaps unwittingly passing our culture down to another generation Our mothers voices were ones of wisdom They gave us words of wisdom that had been passed down from their mamas and other women of the village Such wisdom had a special energy it affirmed the truth In many instances the wisdom was deeply rooted in the African American culture and in the Bible Mama s wisdom did not require big words or dissertations Quite the contrary all that was required was common sense and plain words Mama used proverbs to express in a few words universal truths and undeniable wisdom This wisdom has never gone out of style It is as relevant today as it was when we were children and our mothers were young women *African-American Proverbs in Context* Anand Prahlad, 1996 A groundbreaking study of
