

Since Inset's analysis is equally a compilation of his earlier in-depth reports, his book at times appears disconnected and repetitious. Occasionally, the author even contradicts himself when, for example, he declares in one place that "Turkey's people of Kurdish origin ... constitute at least one-fourth of the country's population," (p. 303) while in another "that at least one-sixth of Turkey's 60 million population is made up of Kurdish-origin citizens," (p. 321). Although reasonable people can argue over the precise figure, the difference between Inset's two estimates is 5,000,000 people.

Even more glaring are the constant grammatical, stylistical, and typographical errors. The entire manuscript begs for the hand of an editor, skilful in the nuances of the English language. In addition, there is no index, an oversight particularly troublesome for an analysis so rich in detail. A bibliography would also be helpful. Finally, the price of \$100 for such a paperback will make this analysis difficult to acquire for all but the most specialized and dedicated of scholarly libraries. Nevertheless, for those interested in the current Kurdish insurgency in Turkey, Inset's study is the best factual analysis in existence.

Michael M. Gunter
Tennessee Technological University

White, Robert W. *Provisional Irish Republicanism: A Trial and Interpretive History*. Westport, CO and London: Greenwood, 1993.

If you believed that Irish republicans were irrational, marginalized individuals whose "terrorism" is an illegitimate assault on British liberal democracy, then this book may perform a positive function. The problem is that not very many academics or journalists - not to mention policemen and soldiers - who deal with the IRA, believe anything as manifestly untrue as the straw man which White has written this book to demolish.

As he states in the first chapter, one of the objectives of the book is: ... to have the perpetrators and supporters of clandestine political violence present their own interpretation of their behaviour. Too often state censorship and a conservative agenda on the part of social scientists deny even the possibility that perpetrators of violence have legitimate needs and concerns. (p. 10)

The core of the book is a series of interviews with 69 republicans which are used as the raw material to illustrate his main arguments. There are massive problems with this approach. How are we supposed to evaluate the arguments of the book which do little more than recycle the republicans' own articulate and well-organized view of the reasons for their struggle? While it may be clear at the end of it all that they

Provisional Irish Republicans An Oral And Interpretive History

Robert W. White

Provisional Irish Republicans An Oral And Interpretive History:

Provisional Irish Republicans Robert William White,1993 A unique study of provisional Irish Republicans based on interviews with activists that gives new understanding to political violence in Northern Ireland

Provisional Irish Republican Army and the Morality of Terrorism Timothy Shanahan,2008-12-18 Is terrorism ever morally justified How should historical and cultural factors be taken into account in judging the morality of terrorist acts What are the ethical limits of state counter terrorism For three decades the Provisional Irish Republican Army waged an armed struggle against what it considered to be the British occupation of Northern Ireland To its supporters the IRA was the legitimate army of Ireland fighting to force a British withdrawal as a prelude to the re unification of the Irish nation To its enemies the IRA was an illegal fanatical terrorist organization whose members were criminals willing to sacrifice innocent lives in pursuit of its ideological obsession At the centre of the conflict were the then unconventional tactics employed by the IRA including sectarian killings political assassinations and bombings that devastated urban centres tactics that have become increasingly commonplace in the post 9 11 world This book is the first detailed philosophical examination of the morality of the IRA s violent campaign and of the British government s attempts to end it Written in clear accessible prose it is essential reading for anyone wishing to acquire a deeper understanding of one of the paradigmatic conflicts of the late 20th century

Irish Republican Terrorism and Politics Kacper Rekawek,2011-03-31 This book examines the post ceasefire evolutions and histories of the main Irish republican terrorist factions and the interconnected character of politics and militarism within them Offering the first comparative study of the two leading Irish republican terrorist movements the Official IRA and the Provisional IRA PIRA this book presents the lesser known Officials political military evolution and analyses whether they could have been role models for the Provisionals Not only does it compare the terrorism and the politics of the Officials and Provisionals in the aftermath of their seminal ceasefires of 1972 and 1994 it also presents the Irish republican history in a new light and brings to the fore the understudied and disregarded Officials who called their seminal ceasefire twenty two years before their rivals in 1972 In doing this the work discusses whether the PIRA might have learned lessons from the bitter and ultimately unsuccessful experience of the Officials This book goes beyond traditional interpretations of the rivalry and competition between the two factions with the Officials usually seen as non violent but unsuccessful and the Provisionals less politically inclined and mostly concerned with their armed struggle Simultaneously it dispels the myth of the alleged Provisional republican copying of their Official republican counterparts who seemed ready for a political compromise in Northern Ireland more than twenty years before the Good Friday Agreement of 1998 Finally it comprehensively compares the Officials and the Provisionals within the identified key areas and assesses the two factions differences and similarities This book will be of much interest to students of Irish politics terrorism studies security studies and politics in general

Treatise on Northern Ireland, Volume I Brendan O'Leary,2019-04-04 This first volume in A Treatise on Northern Ireland

illuminates how British colonialism shaped the formation and political cultures of what became Northern Ireland and the Irish Free State Contrasting colonial and sectarianized accounts of modern Irish history Brendan O Leary shows that a judicious meld of these perspectives provides a properly political account of direct and indirect rule and of administrative and settler colonialism The British state incorporated Ulster and Ireland into a deeply unequal Union after four re conquests over two centuries had successively defeated the Ulster Gaels the Catholic Confederates the Jacobites and the United Irishmen and their respective European allies Founded as a union of Protestants in Great Britain and Ireland rather than of the British and the Irish nations the colonial and sectarian Union was infamously punctured in the catastrophe of the Great Famine The subsequent mobilization of Irish nationalists and Ulster unionists and two republican insurrections amid the cataclysm and aftermath of World War I brought the now partly democratized Union to an unexpected end aside from a shrunken rump of British authority baptized as Northern Ireland Home rule would be granted to those who had claimed not to want it after having been refused to those who had ardently sought it The failure of possible federal reconstructions of the Union and the fateful partition of the island are explained and systematically compared with other British colonial partitions Northern Ireland was invented in accordance with British interests to resolve the hereditary animosities between the descendants of Irish natives and British settlers in Ireland In the long run the invention proved unfit for purpose Indispensable for explaining contemporary institutions and mentalities this volume clears the path for the intelligent reader determined to understand contemporary Northern Ireland

Irish Republican Counterpublic Dieter Reinisch, Anne Kane, 2022-12-30 This volume examines the critical factors and processes by which the Provisional Irish Republican movement campaign from 1969 to 1998 transformed a once acquiescent nationalist population in Northern Ireland into a counterpublic of resistance demanding national self determination and social justice Considering the establishment of Irish Republican community institutions prison protests Republican Feminism and Provisional IRA media and communications this volume explores the emergence of Republicanism as a mass social movement in the nationalist Catholic ghettos and rural regions of Northern Ireland in the 1970s a development that helped to sustain the armed struggle of the Provisional Irish Republican Army for three decades An examination of the emergence and transformative power of the counterpublic discourse and action of the Irish Republican movement this volume provides a framework for conceptualizing counterpublics in social movement studies As such it will appeal to scholars of sociology history and politics with interests in social movements and mobilization

A Treatise on Northern Ireland Brendan O'Leary, 2019 The first volume of the definitive political history of Northern Ireland

Out of the Ashes Robert White, 2017-04-25 Out of the Ashes is the definitive history of the Provisional Irish Republican movement from its formation at the outset of the modern Troubles up to and after its official disarmament in 2005 Robert White a prolific observer of IRA and Sinn F in activities has amassed an incomparable body of interview material from leading members over a thirty year period In this defining study the interviewees provide extraordinary insights into the complex

motivations that provoked their support for armed struggle their eventual reform and the mind set of today's dissidents who refuse to lay down their arms Those interviewed stem from every stage of the Provisionals history from founding figures such as Seán Mac Stiofáin Ruairí Brádaigh and Joe Cahill to the new generation that replaced them Martin McGuinness Danny Morrison and Brendan Hughes among others Out of the Ashes is a pioneering history that breaks new ground in defining how the Provisionals operated caused worldwide condemnation and were transformed by constitutional politics Ruairí Ó Brádaigh Robert W. White, 2020-05-05 A biography and analysis of the influential Irish political and military leader At his death in 2013 Ruairí Brádaigh remained a divisive and influential figure in Irish politics and the Irish Republican movement He was the first person to serve as chief of staff of the Irish Republican Army as president of the political party Sinn Féin and to have been elected as an abstentionist to the Dublin parliament He was a prominent uncompromising and articulate spokesperson of those Irish Republicans who questioned the peace process in Northern Ireland His concern was rooted in his analysis of Irish history and his belief that the peace process would not achieve peace He believed that it would support the continued partition of Ireland and result in continued inevitable conflict The child of Irish Republican veterans Brádaigh led IRA raids was arrested and interned escaped and lived on the run and even spent a period on a hunger strike Because he was an effective spokesman for the Irish Republican cause he was at different times excluded from Northern Ireland Britain the United States and Canada He was also a key figure in the secret negotiation of a bilateral IRA British truce in the mid 1970s In a brief afterword for this new edition author Robert W White addresses Brádaigh's continuing influence on the Irish Republican Movement including the ongoing dissident campaign Whether for good or bad this ongoing dissident activity is a part of Ruairí Brádaigh's enduring legacy A tour de force Indispensable for all Irish studies collections Essential Choice

'The Age-old Struggle' Jack Hepworth, 2021 The Age Old Struggle analyses the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Drawing upon the words and writings of more than 250 Irish republicans this book scrutinises the movement's historical and contemporary complexity Yet it also examines the centripetal forces which connected republican organisations through decades of struggle Dynamics of Political Violence Chares Demetriou, 2016-04-29 Dynamics of Political Violence examines how violence emerges and develops from episodes of contentious politics By considering a wide range of empirical cases such as anarchist movements ethno nationalist and left wing militancy in Europe contemporary Islamist violence and insurgencies in South Africa and Latin America this pathbreaking volume of research identifies the forces that shape radicalization and violent escalation It also contributes to the process and mechanism based models of contentious politics that have been developing over the past decade in both sociology and political science Chapters of original research emphasize how the processes of radicalization and violence are open ended interactive and context dependent They offer detailed empirical accounts as well as comprehensive and systematic analyses of the dynamics leading to violent episodes Specifically the chapters converge

around four dynamic processes that are shown to be especially germane to radicalization and violence dynamics of movement state interaction dynamics of intra movement competition dynamics of meaning formation and transformation and dynamics of diffusion

Provisional Irish Republicans An Oral And Interpretive History Introduction

In today's digital age, the availability of Provisional Irish Republicans An Oral And Interpretive History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Provisional Irish Republicans An Oral And Interpretive History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Provisional Irish Republicans An Oral And Interpretive History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Provisional Irish Republicans An Oral And Interpretive History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Provisional Irish Republicans An Oral And Interpretive History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Provisional Irish Republicans An Oral And Interpretive History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Provisional Irish Republicans An Oral And

Interpretive History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Provisional Irish Republicans An Oral And Interpretive History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Provisional Irish Republicans An Oral And Interpretive History books and manuals for download and embark on your journey of knowledge?

FAQs About Provisional Irish Republicans An Oral And Interpretive History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Provisional Irish Republicans An Oral And Interpretive History is one of the best book in our library for free trial. We provide copy of Provisional Irish Republicans An Oral And Interpretive History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Provisional Irish Republicans An Oral And Interpretive History. Where to download Provisional

Irish Republicans An Oral And Interpretive History online for free? Are you looking for Provisional Irish Republicans An Oral And Interpretive History PDF? This is definitely going to save you time and cash in something you should think about.
