Spiritual Gifts A Christ Centered Perspective is just that centered on Christ It provides a new perspective on spiritual gifts seeing the person and work of Christ as the foundation for the gifts of the Spirit The coming of Jesus into the world opens the way for the whole people of God to be indwelt by the Holy Spirit and to share in God's work in the world The book takes a broad New Testament approach to exploring the gifts carefully examining the meaning of the gifts by considering the Gospels Acts and the epistles The focus is on seeing each gift as an extension of what Jesus did in his ministry The gifts of the Spirit equip the church to carry on Jesus work Every gift is a means of proclaiming the gospel God gives his gifts with two purposes in mind to build the church by bringing people to Christ and to build up the church by maturing each believer Consequently Pentecostals Charismatics and conservative Christians alike must embrace spiritual gifts because God desires to transform the world through his equipped people
