## **Reading The Acts Epistles And Revelations:**

Reading the Acts J. Kingsley Dalpadado, 1977-01-01      *Reading the Acts, Epistles, and Revelation* J. Kingsley Dalpadado, 1977      Bilingual New Testament II - Acts, Epistles, Revelation George Valsamis, 2018-06-11 The text approved by the Ecumenical Patriarchate aims at providing the best reconstruction of the most ancient text of the ecclesiastical tradition and more specifically of the Church of Constantinople The text was based on manuscripts that are usually neglected Most of them come from and after the 10th century containing the full text of the New Testament while others contain only parts used in church offices The Authorized Version has been called the most influential version of the most influential book in the world in what is now its most influential language the most important book in English religion and culture and the most celebrated book in the English speaking world Even prominent atheist figures such as the late Christopher Hitchens and Richard Dawkins have praised the King James Version as being a giant step in the maturing of English literature and a great work of literature Official page [www.elpenor.org](http://www.elpenor.org)      The Catholic epistles and Revelation Philip Schaff, 1889      **St. Paul's epistles; The General Epistles; The Book of Revelation; and indexes**, 1867      **Myths and Mistakes in New Testament Textual Criticism** Elijah Hixson, Peter J. Gurry, 2019-11-05 A renewed interest in textual criticism has created an unfortunate proliferation of myths mistakes and misinformation about this technical area of biblical studies Elijah Hixson and Peter Gurry along with a team of New Testament textual critics offer up to date accurate information on the history and current state of the New Testament text that will serve apologists and offer a self corrective to evangelical excesses      **The Methodist Review**, 1896      **Creating the Canon** Benjamin P. Laird, 2023-07-11 Some questions about the New Testament are far from settled to say nothing of misconception and confusion In this wide ranging yet accessible overview Benjamin Laird offers constructive insight on matters tied to the composition collection and authority of the New Testament canon      What shall I read? A specimen catalogue Mary Elizabeth Townsend, 1887      **Hebrews, the General Letters, and Revelation** Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of
